Closet No More Coming Out That You Are Gay:

The Tolerance Trap Suzanna Danuta Walters, 2016-06-07 From Glee to gay marriage from lesbian senators to out gay Marines we have undoubtedly experienced a seismic shift in attitudes about gays in American politics and culture Our reigning national story is that a new era of rainbow acceptance is at hand But dig a bit deeper and this seemingly brave new gay world is disappointing For all of the undeniable changes author Walters argues the plea for tolerance has sabotaged the full integration of gays into American life Same sex marriage is unrecognized and unpopular in the vast majority of states hate crimes proliferate and even in the much vaunted gay friendly world of Hollywood and celebrity culture precious few stars are openly gay She maintains that we are not almost there but on the contrary have settled for a watered down goal of tolerance rather than a robust claim to full civil rights After all one tolerates unpleasant realities medicine with strong side effects a long commute an annoying relative Tolerance is not the end goal but a dead end From publisher description ,

Straight Talk About Gays in the Workplace Liz Winfeld, 2014-02-04 Find out how being more LGBT inclusive can increase your organization s productivity and revenues Workplace diversity can provide creative strength and greater productivity regardless of the organization *Straight Talk About Gays in the Workplace Creating an Inclusive Productive Environment for Everyone in Your Organization Third Edition* presents a frank discussion about all the relevant aspects of sexual orientation and gender identity in the workplace The author reveals how to incorporate diversity in your organization to foster greater loyalty greater understanding and greater productivity *Straight Talk About Gays in the Workplace Creating an Inclusive Productive Environment for Everyone in Your Organization Third Edition* is the latest edition of the National Library Award winning guide that explains terms provides strategies for implementation of policies and programs and gives you practical tools to educate and inform employees about a workplace environment inclusive of diversity While previous editions concentrated on the diversity of sexual orientation this edition has been expanded and extensively updated to include the needs and issues of transgender people Other updated information includes showing the advantages of creating an LGBT inclusive environment discussing in depth about the financial rewards of marketing an organization as being open to the LGBT community and explaining the benefits of presenting these topics in public schools and higher education Several appendices are included to provide additional resources divided into categories such as workplace education transgender marketing family and the schools legal and business The book also features a useful bibliography an assessment tool to gauge sexual diversity in your organization a guide for transitioning transsexuals and another appendix that presents research and recommendations as to how school campuses can make themselves more inclusive and less discriminatory *Straight Talk About Gays in the Workplace Creating an Inclusive Productive Environment for Everyone in Your Organization Third Edition* discusses updated information on domestic partner benefits educating employees about sexual orientation and gender identity the latest information on non discrimination policies effective employee networks and alliances sensitive issues that
