Frank Rosengarten

CLR James's Notes On Dialectics Left Hegelianism Or Marxism Leninism:

C.L.R. James's Notes on Dialectics John H. McClendon, 2005-01-01 John H McClendon III's CLR James's Notes on Dialectics Left Hegelianism or Marxism Leninism is the first ever book devoted exclusively to James's magnum opus Notes on Dialectics Hegel Marx Lenin The seed for this study was planted over thirty years ago when James handed the author his personal copy of Notes James's contribution to dialectical philosophy and his vast intellectual and scholarly output is rivalled only by the seemingly bottomless depths of McClendon's own analysis and erudition McClendon provides a thorough going critique of James's exploration into the dialectic of Hegel Marx and Lenin while challenging all the seminal texts on James's Notes A book of this magnitude is rare This is ever more the truth when it is focused on a giant like James who stands at the nexus of so many disciplines philosophy history sociology Caribbean studies cultural studies African and African American studies CLR James's Notes on Dialectics Left Hegelianism or Marxism Leninism is a must read for anyone concerned with how revolutionary theory is a guide to contemporary struggles

CLR James's Notes on Dialectics John H. McClendon III, 2004-12-14 John H McClendon III's CLR James's Notes on Dialectics Left Hegelianism or Marxism Leninism is the first ever book devoted exclusively to James's magnum opus Notes on Dialectics Hegel Marx Lenin The seed for this study was planted over thirty years ago when James handed the author his personal copy of Notes James's contribution to dialectical philosophy and his vast intellectual and scholarly output is rivalled only by the seemingly bottomless depths of McClendon's own analysis and erudition McClendon provides a thorough going critique of James's exploration into the dialectic of Hegel Marx and Lenin while challenging all the seminal texts on James's Notes A book of this magnitude is rare This is ever more the truth when it is focused on a giant like James who stands at the nexus of so many disciplines philosophy history sociology Caribbean studies cultural studies African and African American studies CLR James's Notes on Dialectics Left Hegelianism or Marxism Leninism is a must read for anyone concerned with how revolutionary theory is a guide to contemporary struggles

Evangelicals and Empire Bruce Ellis Benson, Peter Goodwin Heltzel, 2008-10 Leading evangelical thinkers engage and are engaged by the most explosive and discussed theorists of empire in the first decade of the twenty first century Michael Hardt and Antonio Negri

Disentangling Consciencism Martin Odei Ajei, 2016-12-06 Kwame Nkrumah is globally recognized as a foremost pan Africanist strategist and statesman He is less widely acknowledged as a philosopher in spite of his considerable philosophical training seminal contribution to African political theory and incisive critique of the ethics of international relations Consciencism has the distinctive status of being the only published book that Nkrumah consciously meant to be a work of his philosophy yet it has failed to attract the focused attention of philosophers The chapters in Disentangling Consciencism Essays on Kwame Nkrumah's Philosophy critically explore the metaphysical ethical and political thought expressed in Consciencism In doing so they broaden our understanding of his philosophical ideas and their relevance for effective African contribution to thought in a contemporary world in which Africa increasingly totters on the margins of

international affairs In much of current moral and political thinking there is a tendency to universalize liberal values and neglect non Western philosophical perspectives At the same time global normative thinking is overwhelmingly applied in non Western contexts Writing from across three continents the contributors to this volume establish greater intellectual connection among African Asian and Western academics and their chapters offer explicit perspectives on the value of Nkrumah s philosophy and on the conceptual basis of early post colonial public policy options in Africa A valuable appendix provides the text of speeches delivered at the 1964 launch of Consciencism With insights into numerous dimensions of Nkrumah s philosophy this volume will be of particular interest to students and scholars of philosophy especially of non Western metaphysical moral and political thought and to anyone working in the history of African political theory The Polemics of C.L.R. James and Contemporary Black Activism Ornette D. Clennon,2016-11-23 This book draws on case examples of contemporary black activism in South Manchester and contrasts them with events that surrounded C L R James and his activism between 1935 and 1950 In doing so the author considers what Brexit the Labour Party and Theresa May s audit on racism in the UK have in common with the wartime decline of the British Empire the rise and fall of the trade unions and the Italian invasion of Ethiopia Clennon dialogues with James theoretical frameworks around capitalism neoliberalism and post colonialism and uses this creative interplay of ideas to help make sense of contemporary events and issues of social justice from a UK ethnic minority perspective Using Fanon Gordon Marx and Chakrabarty amongst others the study explores James take on dialectical materialism and uses this as an ongoing analytical tool throughout the volume with which he weaves an uneasy path between post colonial and post Marxist theories The Polemics of C L R James and Contemporary Black Activism will be of interest to students and scholars across a range of social science disciplines including sociology cultural studies education and black studies **Urbane Revolutionary** Frank Rosengarten,2010-06-30 In Urbane Revolutionary C L R James and the Struggle for a New Society Frank Rosengarten traces the intellectual and political development of C L R James 1901 1989 one of the most significant Caribbean intellectuals of the twentieth century In his political and philosophical commentary his histories drama letters memoir and fiction James broke new ground dealing with the fundamental issues of his age colonialism and post colonialism Soviet socialism and western neo liberal capitalism and the uses of race class and gender as tools for analysis The author examines the in depth three facets of James s work his interpretation and use of Marxist Trotskyist and Leninist concepts his approach to Caribbean and African struggles for independence in the 1950s and 1960s and his branching into prose fiction drama and literary criticism Rosengarten analyzes James s previously underexplored relationships with women and with the women s liberation movement The study also scrutinizes James s methods of research and writing Rosengarten explores James s provocative and influential concepts regarding Black liberation in the Caribbean Africa the United States and Great Britain and James s varying responses to revolutionary movements With its extensive use of unpublished letters private correspondence papers books and other

documents Urbane Revolutionary provides fresh insights into the work of one of the twentieth century's most important intellectuals and activists

Democracy, Dialectics, and Difference Brian C. Lovato, 2015-12-07 It has been nearly two centuries since Marx famously turned Hegel on his head in order to repurpose dialectics as a revolutionary way of thinking about the internal contradictions of our social relations. Despite critiques from post structuralists, post colonialists and others, there has been a resurgence of dialectical thought among political theorists as of late. This resurgence has coincided with a rise in the mention of words like class warfare, socialism and communism among the general public on the streets of Seattle in 1999, in Cairo's Tahrir Square in the actions of the Greek anarchists and the Spanish indignados and in the rallying cry of we are the 99% of the Occupy Movement and in academia. This book explores how it is that dialectical thought might respond to the critiques brought forth by those on the left who are critical of Marxism's universalizing and authoritarian legacy. Brian C. Lovato singles out Ernesto Laclau and Chantal Mouffe as the key interlocutors in this ongoing conversation between Marxism and post structuralism. Laclau and Mouffe argue that Marxist theory is inherently authoritarian, cannot escape a class reductionist theory of revolutionary subjectivity and is bound by a closed Hegelian ontology. Lovato argues the opposite by turning to two heterodox Marxist thinkers, Raya Dunayevskaya and C. L. R. James, in order to construct a radically democratic, dynamic and open conceptualization of dialectical thought. In doing so, he advances a vision of Marxist theory that might serve as a resource to scholars and activists committed not only to combatting capitalism but also to fighting against colonialism, patriarchy, white supremacy and heteronormativity. The writings of Dunayevskaya and James allow for Marxism to become relevant again in these tumultuous early years of the 21st century.

C.L.R. James Paul Buhle, 2017-10-10 A new edition of C. L. R. James's authorized biography. C. L. R. James was a man of prodigious and varied accomplishments. He was a protean twentieth century Marxist intellectual widely recognized as a pioneering scholar of slave revolt, a leading voice of Pan Africanism, a peripatetic revolutionary and scholar active in US and UK radical movements, a novelist, playwright and critic and one of the premier writers on cricket and sports. This intellectual portrait was written by James's longtime interlocutor and comrade Paul Buhle and initially published in 1988. With a new final chapter, updated bibliography, a new foreword by historian Robin D. G. Kelley and a new afterword by Paul Buhle and the philosopher Lawrence Ware, this long awaited revised edition of a classic biography will be a key resource in the James revival.

Beyond Coloniality Aaron Kamugisha, 2019-02-01 Against the lethargy and despair of the contemporary Anglophone Caribbean experience, Aaron Kamugisha gives a powerful argument for advancing Caribbean radical thought as an answer to the conundrums of the present. *Beyond Coloniality* is an extended meditation on Caribbean thought and freedom at the beginning of the 21st century and a profound rejection of the postindependence social and political organization of the Anglophone Caribbean and its contentment with neocolonial arrangements of power. Kamugisha provides a dazzling reading of two towering figures of the Caribbean intellectual tradition, C. L. R. James and Sylvia Wynter, and their quest for human freedom beyond coloniality.

Ultimately he urges the Caribbean to recall and reconsider the radicalism of its most distinguished 20th century thinkers in order to imagine a future beyond neocolonialism **Left Universalism, Africentric Essays** Ato Sekyi-Otu, 2018-08-06

Left Universalism Africentric Essays presents a defense of universalism as the foundation of moral and political arguments and commitments Consisting of five intertwined essays the book claims that centering such arguments and commitments on a particular place in this instance the African world is entirely compatible with that foundational universalism Ato Sekyi Otu thus proposes a less conventional mode of Africentrism one that rejects the usual hostility to universalism as an imperialist Eurocentric hoax Sekyi Otu argues that universalism is an inescapable presupposition of ethical judgment in general and critique in particular and that it is especially indispensable for radical criticism of conditions of existence in postcolonial society and for vindicating visions of social regeneration The constituent chapters of the book are exhibits of that argument and question some fashionable conceptual oppositions and value apartheid This book will be of great interest to students and scholars in the fields of social and political philosophy contemporary political theory postcolonial studies African philosophy and social thought

Clr Jamess Notes On Dialectics Left Hegelianism Or Marxism Leninism Book Review: Unveiling the Magic of Language
