INTERNAL INNOVATION If 3M's corporate leadership hadn't given researcher Art Fry a creative outlet the world would never have seen the Post-it Note Corporate entrepreneurs intrapreneurs mavericks No matter what name they go by these innovators are the pioneering forces within an organization who spark new enterprises products services and processes to combat increased global competition Corporate Entrepreneurship shows you how to develop and grow your organization by designing the culture structure strategies and policies that encourage and support internal entrepreneurial ventures Bestselling author and world renowned entrepreneur Robert Hisrich teams up with global management expert Claudine Kearney to provide action plans techniques and insights for establishing an organizational culture that allows intrapreneurs to develop the entrepreneurial ventures that will secure value and generate new growth in your company Every day globalization and technological advancements continue to put more of your competitors within reach of your customers In order for your company to stay attractive and thrive you need the proven tools and tactics in this book to Identify evaluate and fund venture opportunities Recognize bright corporate entrepreneurs and create their compensation plans Create business plans that avoid failure optimize success and develop and sustain corporate venturing Manage the internal politics of venturing Effectively implement corporate venturing into your organization Hisrich uses illustrative examples from his experience consulting for such global companies as 3M Alcoa Westinghouse Citi and many others Through informative well researched case studies he demonstrates how his concepts help companies prosper over the long run gain market share and stay on the cutting edge of their potential If your employees aren't innovating your company is losing its competitive edge Use Corporate Entrepreneurship to give your mavericks what they need to keep your company on top all over the world

The Challenges of Corporate Entrepreneurship in the Disruptive Age Donald F. Kuratko, Sherry Hoskinson, 2018-11-22 Today's age of disruptive technology is a strategic game changer for most organizations Unpredictable market conditions create unprecedented challenges for simple organizational survival let alone avenues for innovation and growth This volume explores this dynamic environment in which corporate entrepreneurship strategies are pursued **Corporate**

Entrepreneurship Donald F. Kuratko, 2007 Corporate Entrepreneurship provides a thorough review of the literature on this topic and presents a model based on this literature It reviews the empirical and conceptual research that substantiates the many components of the model and describes a corporate entrepreneurship strategy based on that model Corporate

Entrepreneurship and Venturing Tom Elfring, 2005-03-30 Corporate Entrepreneurship and Venturing is positioned at the crossroads of the strategy and entrepreneurship fields The common theme is how and why corporate entrepreneurship and corporate venturing can contribute to innovation and strategic renewal in large established companies in particular it explores ways to balance exploitation and exploration in established companies The issue is how the locus of entrepreneurship affects the way corporate entrepreneurship addresses the exploitation exploration challenge In some chapters corporate entrepreneurship is dispersed across the organization and they examine the key elements of an

entrepreneurial culture and the organizational conditions that are favorable to entrepreneurial initiatives The other chapters contribute to the discussion on the potential role of corporate venturing which is separated from the main parts of the organization They examine the advantages and disadvantages of corporate venture capital programs as particular forms of focused corporate entrepreneurship Corporate Entrepreneurship and Innovation Paul Burns,2025-04-24 It is insufficient for businesses to grow simply by cutting costs and acquiring competitors To achieve true success organisations must bring innovative ideas to market and avoid an ageing product or service portfolio In this textbook author Paul Burns draws on decades of academic and entrepreneurial experience to guide students through the four pillars of his original entrepreneurial architecture framework organizational culture structures and controls leadership and management and strategies and tactics laying out the ways in which each business function is required to adapt to ensure success The 5th edition includes Over 75 global case insights including coverage of companies from DeepMind to Solarbrella Patagonia to Samsung demonstrating the practicalities of corporate entrepreneurship in the real world New content on the fallout of COVID 19 AI digitalisation and climate change to prepare students for the ever changing global business world of today The Explore Further feature containing links to video animations talks by leading academics and practitioners psychometric tests and websites providing step off points to deepen learning This is a must read for students of corporate entrepreneurship intrapreneurship or corporate venturing at upper undergraduate postgraduate or MBA level The book is also essential reading for courses on Strategic Entrepreneurship and Innovation Entrepreneurs Inside Susan Foley,2007-06 Entrepreneurs Inside Accelerating Business Growth with Corporate Entrepreneurs was inspired by an extraordinary group of individuals who stepped up to the challenge of building new growth businesses in their organizations Building a new business inside an existing organization is a daunting task It takes a unique combination of competencies to lead these initiatives The book describes the competencies of successful corporate entrepreneurs and entrepreneurial leaders It also reveals the obstacles and hidden barriers these executives encountered as they created the entrepreneurial culture necessary for success Most valuably the book offers a practical look at corporate entrepreneurship innovation and execution *Corporate Entrepreneurship and Innovation* ,2009
