Corvette Stingray Chevrolet, 2024-08-06 Get the official story behind the eighth generation of Chevrolet's legendary sports car in this licensed book featuring engaging text and photography from GM's archives and Corvette team members This updated edition of *Corvette Stingray* is revised to cover the C8's latest developments including the 70th Anniversary model high performance Z06 and the all new hybrid E-Ray Corvette is Chevrolet's iconic performance car Its importance and status in the performance car world cannot be overstated Thus each new Corvette generation is sweated by Chevy's designers engineers marketing staff and executives to ensure that it sets the bar higher than the preceding version With the eighth generation

Chevrolet did more than raise the bar or move the goalpost they tore down the stadium and rebuilt it from scratch For the first time ever in a production version the Corvette featured a mid engine configuration Though Corvette engineers had experimented with this engine placement for several decades 2020 marked the first time Chevrolet had committed it to production cars The seventh generation Corvette had prodigious power on tap and excellent performance but its front engine configuration had reached its traction limit with increasing horsepower levels The mid engine Corvette eliminated any remaining barriers and took the battle to supercar rivals like Ferrari Lamborghini and McLaren With the new Z06 and E Ray versions Corvette brought even more heat to the competition Corvette Stingray reveals the story every Corvette fan needs to read

The Routledge Companion to Automobile Heritage, Culture, and Preservation Barry L. Stiefel, Jennifer Clark, 2019-12-06 The Routledge Companion to Automobile Heritage Culture and Preservation explores automotive heritage its place in society and the ways we might preserve and conserve it Drawing on contributions from academics and practitioners around the world and comprising six sections this volume carries the heritage discourse forward by exploring the complex and sometimes intricate place of automobiles within society Taken as a whole this book helps to shape how we think about automobile heritage and considers how that heritage explores a range of cultural intellectual emotional and material elements well outside of the automobile body itself Most importantly perhaps it questions how we might better acknowledge the importance of automotive heritage now and in the future The Routledge Companion to Automobile Heritage Culture and Preservation is unique in that it juxtaposes theory with practice academic approaches with practical experience and recognizes that issues of preservation and conservation belong in a broad context As such this volume should be essential reading for both academics and practitioners with an interest in automobiles cultural heritage and preservation

Runways & Racers Terry O'Neil, 2011 Runways and Racers focuses on sports car races held at military installations throughout America in the early 1950s It was a marriage of convenience for the Sports Car Club of America and the Strategic Air Command with both parties gaining advantages from the arrangement The thorn in the side turned out to be a Congressman whose own aspirations exceeded his standing but who found himself in a position to be able to influence the outcome of events
