China Mi Primera Lonely Planet:

Translating Picturebooks Riitta Oittinen, Anne Ketola, Melissa Garavini, 2017-10-10 *Translating Picturebooks* examines the role of illustration in the translation process of picturebooks and how the word image interplay inherent in the medium can have an impact both on translation practice and the reading process itself. The book draws on a wide range of picturebooks published and translated in a number of languages to demonstrate the myriad ways in which information and meaning is conveyed in the translation of multimodal material and in turn the impact of these interactions on the readers' experiences of these books. The volume also analyzes strategies translators employ in translating picturebooks including issues surrounding culturally specific references and visual and verbal gaps and features a chapter with excerpts from translators' diaries written during the process. Highlighting the complex dynamics at work in the translation process of picturebooks and their implications for research on translation studies and multimodal material, this book is an indispensable resource for students and researchers in translation studies, multimodality and children's literature.

China para hipocondríacos José Ovejero, 2013-03-16 Fascinado e intimidado por los lugares remotos José Ovejero emprendió a principios de los años 90 un itinerario personal por China. PREMIO GRANDES VIAJEROS 1998. A menudo viajo solo porque busco un absurdo que resulta difícil de compartir. Pretendo encontrarme a mí mismo en algún otro lugar del mundo como si fuese el personaje de un cuento de Borges. Fue así que decidí marcharme a China. No tenía la menor relación con ese país ni sabía gran cosa sobre sus costumbres, historia o paisajes. Del idioma lo desconocía todo. Así que comencé a informarme sobre China comprando un libro y unas cintas para aprender mandarín. Elaboré itinerarios, me puse en contacto con varias universidades de la República Popular China y decidí partir. Un mes lo pasé en Nanjing aprendiendo el idioma para luego poder dedicar otro mes a recorrer el país por mi cuenta. JOS OVEJERO

Naranjas de la China Julio Arias, 2012-06-26 *Naranjas de la China* narra el periplo de un joven español que movido por la curiosidad se marcha a Pekín a aprender mandarín donde termina pasando una década. Allí se impregna de la cultura china y nos cuenta con todo detalle cómo es el gigante asiático. El autor narra con humor y pasión su experiencia como un relato de viajes al tiempo que sumerge al lector en la realidad de un país fascinante. Partiendo de su trayectoria profesional en China, Arias nos explica cómo moverse en el mundo de los negocios chinos, cuál es la etiqueta comercial, qué papel desempeñan las autoridades, etc. Además de contarnos cuáles son las preocupaciones y las aspiraciones de la sociedad china en un país en plena transformación.
