Chinese Foreign Policy Think Tanks And Chinas Policy Toward Japan:

Chinese Foreign Policy Think Tanks and China's Policy Towards Japan Xuanli Liao, 2006 Examines Chinese foreign policy think tanks and their influence in China's foreign policy towards Japan between the late 1970s and late 1990s Through case studies this book demonstrates a growing pluralistic trend in post Mao China's foreign policy making process **Great**

Power Strategies - The United States, China and Japan Quansheng Zhao, 2022-09-05 This book provides a comparative study of the strategies of great powers in the Asia Pacific namely the United States China and Japan known as the Pacific Three It examines the evolution of each power's strategic thinking and analyzes the three powers respective foreign policies and internal debates in the policymaking process It analyzes the three countries conflict and cooperation from past to the present It stresses the importance of the interactions between internal and external factors in the policymaking process and emphasizes the great significance of these interactions for international relations theory For example it highlights the role of strategic advisers in think tanks and government agencies in the United States Japan's informal and balanced policymaking process and the impact of traditional culture in China especially Confucianism and the part played by Chinese think tanks

China's Foreign Policy G. Rozman, 2013-10-16 Updating the papers from the 2011 Asan Conference to cover the end of 2011 this book reflects the state of analysis on the eve of the important 2012-13 transition to China's fifth generation leaders

Challenges to Chinese Foreign Policy Yufan Hao, C.X. George Wei, Lowell Dittmer, 2021-12-15 When Beijing hosted the 2008 Summer Olympics China symbolically asserted its role as an emerging world power a position it is not likely to relinquish anytime soon China's growing economy military reforms and staggering productivity have contributed to its ascendancy as a major player in international affairs Western scholars have attempted to explain Chinese foreign policy using historical or theoretical evidence but until this volume few studies from a Chinese perspective have been published in English In **Challenges to Chinese Foreign Policy** Diplomacy Globalization and the Next World Power editors Yufan Hao C X George Wei and Lowell Dittmer reveal how Chinese scholars view their nation's rise to global dominance Drawing from a wealth of foreign relations experts including scholars native to the region this volume examines the unique challenges China faces as it adapts in its role as a world leader and it analyzes how China's evolving international relationships are shaping the global landscape of the twenty first century **The Making of China's Foreign Policy in the 21st century** Suisheng Zhao, 2018-02-02

This book is a study of the making of foreign policy of China a rising power in the 21st century It examines three sets of driving forces behind China's foreign policy making One is historical sources including the selective memories and reconstruction of the glorious empire with an ethnocentric world outlook and the century of humiliation at the hands of foreign imperialist powers The second set is domestic institutions and players particularly the proliferation of new party and government institutions and players such as the national security commission foreign policy think tanks media and local governments The third set is Chinese perception of power relations particularly their position in the international system and

their position relations with major powers This book consists of articles from the Journal of Contemporary China China's Foreign Policy Making Lin Su,2017-03-02 Various domestic factors impact upon China's foreign policy making such as bureaucracy academics media and public opinion This stimulating book examines their increasing influence and focuses in particular on China's policy towards the United States exploring whether there has been an emergence of societal factors independent of the Communist Party that have begun to exert influence over the policy process It also debates questions such as how it will affect the ability of the Chinese government to frame and implement its policy towards the US and whether it has generated institutional arrangements in China for cooperation on issues such as trade human rights and Taiwan The book provides a better understanding of the role of societal forces in China's foreign policy making process

Elites and Governance in China Xiaowei Zang,Chien-wen Kou,2013-09-13 This book reveals the complex relationship between elite perceptions and behaviour and governance in China It moves away from existing scholarship by focusing on functionaries grass roots elites leading intellectuals and opinion makers in China and by looking beyond the top leadership makes a significant contribution to our understanding of shared governance and broadened political participation in China The chapters in this collection explore the elites role as opinion makers technical experts producers of knowledge and executives or managers and pose a number of questions the answers to which are crucial to understanding future political and economic development in China What are elite perceptions of governance inequality and justice what do the elites mean by good governance what is the influence of non Chinese Communist Party elites in policy making and implementation in China how have they exerted their influence in the PRC and influenced its direction of future development and what have grass roots elites contributed to governance in local communities Providing a keen insight into the role elites have played in governing China since 1978 this book is a pioneering effort to bring together elite studies and governance studies As such it will be highly relevant for policy makers within international organizations governments and NGOs outside China as well as appealing to scholars and students interested in Chinese politics and governance *Think Tanks, Foreign Policy and Geo-Politics* Donald E. Abelson,Stephen Brooks,Xin Hua,2016-09-13 Questions about the role and influence of think tanks in matters of foreign policy and geopolitics are both timely and important The reconfiguration of global power explosion of social media shifts away from traditional print and oral based ways of imparting knowledge and the dramatic increase in the volume of information and ideas clamoring for the attention of policy makers are changing the landscape of foreign policy making and the pathways through which influence is achieved This book explains the impact of think tanks on the framing of domestic and international conversations on matters of foreign policy and geopolitics An international group of prominent experts examine these issues in specific countries and also across national and regional borders to better understand how governments and actors in civil society are influenced by the activities of think tanks **The Rise of Think Tanks in China** Xufeng Zhu,2013 Despite continuing criticism of the Chinese authoritarian political system the range of participants

in the decision making process has widened with different social actors now playing an increasingly important role in the Chinese policymaking process Accordingly the role of think tanks in the policymaking process has generated great interest within and outside China This book explores the behaviour and influence of China's think tanks and explains the reasons and social consequences of the rise of think tanks in China The book raises several questions on the topic How did think tanks emerge in China What are the essential factors that determine think tanks in terms of building their governmental and personal networks How do think tanks work and build their influence in the Chinese policy process What happens to Chinese society when think tanks become important policy participants in the policy process The book goes on to discuss new perspectives on policy processes and elite politics in China and empirically with comparative case study and data from nationwide questionnaire surveys provides a comprehensive picture of think tanks in the current political system of the country
