Culture, Spaces, and People Daksh Jain, 2023-06-23 This volume discusses the nuances of cultural phenomena in the transforming urban landscape of Indian cities It focuses on the role of globalization transitioning economic patterns and national urban policies in changing their urban landscape The volume argues that culture is an important determinant of the emergent urban patterns It decodes and determines the human centered inter linkages among social cultural economic and political aspects and their reactions to the transformations in urban morphology to understand the spatial perspective and

visualization of new emerging cultural phenomena The book reflects on the contemporary global forces and currently operational national urban policies that have enforced new dynamics of consumption lifestyles and institutions Further it also examines the ways in which these forces come together to create new hybrid cultures which manifest in spatial practices With detailed case studies of different cities this book will be of interest to students teachers and researchers of urban planning cultural studies urban sociology urban geography history urban design urban conservation and policy studies It will also be useful for professionals working in the field of smart cities in India and abroad planning authorities urban scientists cultural tourists artists local cultural enthusiasts and those interested in studying the urban conditions of Indian cities

New Critical Spaces in Transitional Justice Arnaud Kurze, Christopher K. Lamont, 2019-01-10 Since the 1980s transitional justice mechanisms have been increasingly applied to account for mass atrocities and grave human rights violations throughout the world Over time post conflict justice practices have expanded across continents and state borders and have fueled the creation of new ideas that go beyond traditional notions of amnesty retribution and reconciliation Gathering work from contributors in international law political science sociology and history *New Critical Spaces in Transitional Justice* addresses issues of space and time in transitional justice studies It explains new trends in responses to post conflict and post authoritarian nations and offers original empirical research to help define the field for the future

Love Across the Atlantic Barbara Jane Brickman, 2020-02-14 From romantic novelist Elinor Glyn in the 1920s to Prince Harry and Meghan Markle today this collection examines some of the BG contemporary manifestations and enduring appeal of US UK romance across popular culture

Heart And Soul Martin J. Power, Eoin Devereux, Aileen Dillane, 2018-10-05 Led by the iconic Ian Curtis Joy Division remains one of the most influential bands to emerge in the British Post Punk Scene In spite of Joy Division s relatively short existence their unique sound and distinct iconography have had a lasting impact on music fans and performers alike This book disassembles the band s contribution to rock music Based on up to date original research *Heart And Soul* brings together established and newly emerging scholars who provide detailed examinations the many layers of this multi faceted and influential band and their singer the late Ian Curtis in particular Given Joy Division s complexities the book draws upon a wide range of academic disciplines and approaches in order to make sense of this influential band

Partitions and Their Afterlives Radhika Mohanram, Anindya Raychaudhuri, 2019-06-28 How can we theorise partitions differently How are new identities moralities politics and life constructed post partition How are gender and sexuality recalibrated after partition How can violence be theorised What is the relationship between identity in the diaspora and identity after partition What is the relationship between the movement of capital and national borders that is the mark of partition *Partitions and their Afterlives* engages with political partitions and how their aftermath affects the contemporary life of nations and their citizens Using a comparative perspective the essays seek to stretch our understanding of these conflicts and to show how elements of our day to day lives have been shaped by them In juxtaposing the various partitions in

a single volume the book contributes to debates on citizenship collective memory nation building and borders and boundaries Such a focus also reveals how local communities as well as nations use their knowledge of the past and history This ground breaking multi disciplinary and multi region volume will analyse the various convergences and departures between the different partitions and draw out lessons for the present In so doing this work will also examine methodological challenges and the imperatives for scholars working on individual countries *Materiality and Popular Culture* Anna

Malinowska, Karolina Lebek, 2016-08-12 This book critically approaches contemporary meanings of materiality and discusses ways in which we understand experience and engage with objects through popular culture in our private social and professional lives Appropriating Arjun Appadurai's famous phrase the social life of things with which he inspired scholars to take material culture more seriously and as a result treat it as an important and revealing area of cultural studies the book explores the relationship between material culture and popular practices and points to the impact they have exerted on our co existence with material worlds in the conditions of late modernity *The Neoliberal Self in Bollywood* Namrata Rele

Sathe, 2024-02-21 This book explores the consequences of unbridled expansion of neoliberal values within India through the lens of popular film and culture The focus of the book is the neoliberal self which far from being a stable marker of urban liberal millennial Indian identity has a schizophrenic quality one that is replete with contradictions and oppositions unable to sustain the weight of its own need for self promotion optimism and belief in a narrative of progress and prosperity that has marked mainstream cultural discourse in India The unstable and schizophrenic neoliberal identity that is the concern of this book however belies this narrative and lays bare the sense of precarity and inherent inequality that neoliberal regimes confer upon their subjects The analysis is explicitly political and draws upon theories of feminist media studies popular culture analyses and film studies to critique mainstream Hindi cinema texts produced in the last two decades Rele Sathe also examine a variety of other peripheral texts in her analysis such as the film star the urban space web series YouTube videos and social media content
