Cultivating a Life for God Neil Cole, 2014-03-24 Cultivating a Life for God calls upon us to rethink our busy fast paced lives If there is a stirring in your soul for something more in your spiritual journey take a risk on what God might do in and through your life Discover the compassion that comes from heaven and can be experienced in a Life Transformation Group LTG You may never be the same again The Life Transformation Group system is a grass roots tool for growth Through this simple system the most essential elements of vital spiritual ministry are released to common Christians without the need for specialized training It taps the disciple s internal motivation and provides the support needed to grow in the essentials of a spiritual life The LTG empowers the common Christian to do the uncommon work of reproductive discipling page 63 In my years of ministry I have not found any method that produces such powerful results in fulfilling the Great Commission I personally plan on using this system for the rest of my life to make as many disciples of the kingdom as I can before Christ calls me home Neil Cole page 89 See more at <http://www.cmaresources.org/cultivating-a-life-for-god> Cultivating a Life for God Neil Cole, 1999 Cultivating a Life for God calls upon us to rethink our busy fast paced lives If there is a stirring in your soul for something more in your spiritual journey take a risk on what God might do in and through your life Discover the compassion that comes from heaven and can be experienced in a Life Transformation Group LTG You may never be the same again The Life Transformation Group system is a grass roots tool for growth Through this simple system the most essential elements of vital spiritual ministry are released to common Christians without the need for specialized training It taps the disciple s internal motivation and provides the support needed to grow in the essentials of a spiritual life The LTG empowers the common Christian to do the uncommon work of reproductive discipling page 63 In my years of ministry I have not found any method that produces such powerful results in fulfilling the Great Commission I personally plan on using this system for the rest of my life to make as many disciples of the kingdom as I can before Christ calls me home Neil Cole page 89 See more at <http://www.cmaresources.org/cultivating-a-life-for-god> Gospel Witness David M. Gustafson, 2019-02-14 In light of our increasingly post Christian Western contexts David Gustafson offers a mission oriented ecclesiology that moves from missional theory to practices of missional engagement Introducing God s human drama as a way to explain the gospel within God s redemptive story he outlines specific ways for pastors and church leaders to shape a gospeling culture within their congregations Gustafson expertly lays the foundations of and approaches to evangelism that are seminal and apt for the church today **Living Prayer** Richard L. Bowman, 2019-11-04 When do Christians pray Do we only pray at our daily devotional times or when the Lord s prayer is recited at a public event or in a worship litany Many of us are acquainted with emergency prayer when an accident or heart attack involves one of our close relatives At such times we often do not trust our own relationship with God enough so we anxiously await the arrival of a minister at the hospital bedside for real prayer to happen Is Christian prayer only an activity we practice in such ways or is it more than that Richard Bowman in this Bible

study and devotional guide shows clearly that Jesus and New Testament church leaders taught living prayer as a way of life. Each of the twenty five chapters includes a biblical text, some reflections on the text, and an easily carried out assignment that leads readers into deeper conversations with the Spirit of God abiding in each of Christ's disciples. **The Forgotten Ways** Alan Hirsch, 2016-09-20. Alan Hirsch's paradigm shifting classic remains the definitive statement of the church as dynamic missional movement. The bestselling first edition ignited a conversation about how to harness the power of movements for the future growth of the church. In this major update, Hirsch shares significant insights gained along the way, provides fresh new examples of growing churches, and reflects on the last ten years of the missional movement. The new edition has been thoroughly updated and revised throughout and includes charts, diagrams, an expanded glossary of terms, new appendices, an index, a new foreword by Ed Stetzer, and a new afterword by Jeff Vanderstelt. Known for his innovative approach to mission, Hirsch is widely acknowledged as a thought leader and mission strategist for churches across the Western world. He considers *The Forgotten Ways* the guiding work to all of his other writings. The book explores the factors that come together to generate high impact, exponentially explosive, spiritually vibrant Jesus movements in any time and context. This extensive update to Hirsch's influential work offers a system of six vital keys to movements that will continue shape the future of the missional movement for years to come. **Organic Church** Neil Cole, 2010-06-15. Neil Cole is a true trailblazer for today's church. His story will inspire you and equip you to experience the living Christ in community. Jonathan S. Campbell, author of *The Way of Jesus Churches*, have tried all kinds of ways to attract new and younger members: revised vision statements, hipper worship, contemporary music, livelier sermons, bigger and better auditoriums. But there are still so many people who aren't being reached, who don't want to come to church. And the truth is that attendance at church on Sundays does not necessarily transform lives. God's presence in our hearts is what changes us. Leaders and laypeople everywhere are realizing that they need new and more powerful ways to help them spread God's Word. According to international church starter and pastor Neil Cole, if we want to connect with young people and those who are not coming to church, we must go where people congregate. Cole shows readers how to plant the seeds of the Kingdom of God in the places where life happens and where culture is formed: restaurants, bars, coffeehouses, parks, locker rooms, and neighborhoods. *Organic Church* offers a hands-on guide for demystifying this new model of church and shows the practical aspects of implementing it. Neil Cole expertly places a thrilling invitation before us to join probably the most exciting spiritual pilgrimage going on today: the global migration of a church on the way back home. Come and dial in. Wolfgang Simson, author of *Houses that Change the World*. **Comeback Churches** Ed Stetzer, Mike Dodson, 2007-05-01. Research shows that over time most churches plateau and then eventually decline. Typically they start strong and experience periods of growth, then stagnate and lose members. Since 1991, the North American population has increased by 15 percent, while the number of unchurched people has increased by 92 percent. Large church houses that were filled in the 1950s and 60s now hold a fraction of their capacity. To counter this trend, authors Ed

Stetzer and Mike Dodson surveyed 300 churches from across ten different denominations that recently achieved healthy evangelistic growth after a significant season of decline. What they have discovered is an exciting method of congregation reinvigoration that is shared in the new book entitled *Comeback Churches*. Endorsements: As a successful pastor, church planter, researcher, and advisor to thousands of churches, Ed Stetzer speaks from a wealth of experience with all kinds of churches. Now in one volume, your church can benefit from his wisdom. This book is a winner. Dr. Rick Warren, author of *The Purpose Driven Life* and *The Purpose Driven Church*. First and foremost, it is biblical. Second, it is well researched. And third, it is immensely practical and applicable. This book should be in the hands of hundreds of thousands of pastors, staff, and church leaders. Simply stated, it is just that good. Thom S. Rainer, author of *Simple Church*, president/CEO of Lifeway Christian Resources. Finally, a book of practical advice that is based on research. I have seen it both ways: endless research with little advice or much advice with little facts. This book strikes the balance with perfection. Elmer Towns, Dean of Liberty University. This is the most helpful practical book on church revitalization I've read this century. Leonard Sweet, Drew Theological School. George Fox University. *Comeback Churches* is more than a pep talk. It's rooted in the right stuff to bring a congregation out of the dismal into the vital. Jack W. Hayford, President, International Foursquare Churches. Chancellor, The King's College and Seminary. No one, to my knowledge, has done the hard research, presented the facts, and offered such sound advice as Ed Stetzer and Mike Dodson. *Comeback Churches* is the number one book on turning around declining and plateauing church ministry. Gary L. McIntosh, D. Min. Ph.D., Biola University. A refreshing book by authors who know how to make research exciting and instructional. Leaders and members of non-growing evangelical churches should read this book; it wouldn't hurt mainliners either. Bill Easum, Easum Bandy Associates. **Shepherding God's People** Siang-Yang Tan, 2019-07-16. This comprehensive textbook on pastoral ministry for pastors, church leaders, and students articulates a biblical model for shepherding God's people. Written by a leading psychologist and seminary professor who has served as a pastor for more than two decades, the book covers twelve major areas of pastoral ministry, highlights the essential work of the Holy Spirit, and focuses on the personal and family life of the pastor. It includes cross-cultural perspectives of special interest in our diverse world and a foreword by John Ortberg. **Journeys to Significance** Neil Cole, 2011-02-11. A powerful biblically based model of leadership development based on the life of the Apostle Paul. All churches, denominations, and parachurch organizations are eager for new models of leadership development. Cole uses the life and leadership lessons of the Apostle Paul to show how to develop leaders who are skilled, dedicated, and always open to learning from experience. Cole, a trusted innovative authority, uses the four journeys of Paul to show how leaders can grow to be more influential. A publication from the acclaimed Leadership Network. Paul, the original church planter, was very instrumental in the growth of Christianity and a perfect model for today's leaders. Shows how Paul's leadership developed over the course of his life to get better and better with time and maturity and how they can do the same. Discipleship that Fits Bobby Harrington, Alex Absalom, 2016-02-09. For far too

long the church has tried to make disciples using a one size fits all approach Some churches advocate 1 on 1 discipling others try getting everyone into a small group while still others training through mission trips or service projects Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching But does one size really fit everyone Based on careful biblical study and years of experience making disciples in the local church Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context Discipleship That Fits shows you the five key ways discipleship occurs It looks at how Jesus made disciples and how disciples were formed in the early church Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ Public Relationships The church gathering corporately for worship Social Relationships Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships Small groups of six to sixteen people where we challenge and encourage one another on a regular basis Transparent Relationships Close relationships of three to four where we share intimate details of our lives for accountability The Divine Relationship Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it how the early church practiced it and how churches are discipling people today
