Craigslist Ny Writing Gigs:

Screenplay Story Analysis Asher Garfinkel, 2010-06-29 Sometimes it seems like everybody's writing a screenplay. But who reads those screenplays? Professional story analysts that's who. Screenplay Story Analysis explains exactly how to become a professional story analyst. Along with a basic how-to on writing a story analysis or coverage, this book explains the techniques and thought processes involved in reading and evaluating a screenplay. Get familiar with terms, techniques, and general story elements. Master standard coverage format and content. Find guidelines for practicing coverage and getting work as a professional story analyst. With a foreword by Craig Perry, producer of American Pie, Final Destination, and other successful movies, and quotes from industry pros from top entertainment companies including ABC and Paramount Pictures, this is the essential guide for breaking into the business. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business, and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

Author Kelly James Enger details 101 secrets to success, organized into five overarching strategies. You'll be able to implement what you learn immediately. Invaluable advice on managing deadlines, querying effectively, working with clients, handling taxes, invoices, and more. Strategies for getting more writing gigs, including networking in person and online, establishing yourself as an expert, working more efficiently under tight deadlines, and handling rejection with confidence. James Enger looks at the whole freelancer, addressing both the craft and business of freelancing.

Wanted - Bear Cubs for My Children Gary FingerCastle, 2009-10-18 What do haunted furniture, bear cubs, and a skydiving baby have in common? Answer: Serial Craigslist poster and parodist Gary FingerCastle. Picture this: Author and agitator Gary FingerCastle posts hundreds of mock advertisements on the popular website Craigslist.org and receives thousands of real-life responses. And because truth is stranger than fiction, he learns that people will do anything for love, like jumping into a lion pen and dressing up like a Christmas tree. You can give anything away, like haunted furniture, torture racks, and mummies. You can purchase anything on the Internet, like bear cubs and tattoos for children. People will do anything for money, like driving into walls at high speeds and starving themselves for five weeks straight. This book is the hilarious and oftentimes horrifying collection that really
