Crazy Like A Fox One Principals Triumph In The Inner City:

Crazy Like a Fox Ben Chavis, Carey Blakely, 2010-09-07 The inspiring true story of one of the country's finest educators National Review and the school he changed forever Under the leadership of highly unorthodox principal Dr Ben Chavis Oakland's American Indian Public Charter School was hailed as an education miracle by governor Arnold Schwarzenegger after it was transformed from a failing nuisance into one of the best public middle schools in the nation This is the story of that transformation and of a man who dared to be different With his rigorous no nonsense approach Dr Chavis debunks the myth that poor minority inner city schools have little chance at academic excellence Focusing on back to basics ideals he has created a structured educational model that combined with the enthusiasm of his students and teachers delivers astounding results In Crazy Like a Fox Dr Chavis recounts how he did it in his own words and through the stories of the extraordinary young people he's helped

The New Trail of Tears Naomi Schaefer Riley, 2021-11-30 If you want to know why American Indians have the highest rates of poverty of any racial group why suicide is the leading cause of death among Indian men why native women are two and a half times more likely to be raped than the national average and why gang violence affects American Indian youth more than any other group do not look to history There is no doubt that white settlers devastated Indian communities in the 19th and early 20th centuries But it is our policies today denying Indians ownership of their land refusing them access to the free market and failing to provide the police and legal protections due to them as American citizens that have turned reservations into small third world countries in the middle of the richest and freest nation on earth The tragedy of our Indian policies demands reexamination immediately not only because they make the lives of millions of American citizens harder and more dangerous but also because they represent a microcosm of everything that has gone wrong with modern liberalism They are the result of decades of politicians and bureaucrats showering a victimized people with money and cultural sensitivity instead of what they truly need the education the legal protections and the autonomy to improve their own situation If we are really ready to have a conversation about American Indians it is time to stop bickering about the names of football teams and institute real reforms that will bring to an end this ongoing national shame
