You're in the Wrong Place Joseph Harris, 2020-09-15 A lyrical deconstruction of postindustrial American life In a thrilling interconnected narrative You re in the Wrong Place presents characters reaching for transcendence from a place they cannot escape Charles Baxter stated that Joseph Harris has a particular feeling for the Detroit suburbs and the slightly stunted lives of the young people there You re in the Wrong Place isn t uniformly downbeat there are all sorts of rays of hope that gleam toward the end The book composed of twelve stories begins in the fall of 2008 with the shuttering of Dynamic Fabricating a fictional industrial shop located in the Detroit suburb of Ferndale Over the next seven years the shop s former employees as well as their friends and families struggle to find money purpose and levity in a landscape suddenly devoid of work faith and love In Would You Rather a young couple brought together by Dynamic Fabricating shares a blissful weekend in Northern Michigan unaware of the catastrophe that awaits them upon their return home In Acolytes a devout Catholic clings to her faith as her brothers descend into cultish soccer violence In Memorial an ex Dynamic worker scrapes money together for a tribute to his best friend lost to the war in Afghanistan In Was It Good for You a cam girl deconstructs materialism with her aging great aunt a luxury sales associate and an anxious faceless client And in the title story simmering tensions come to a boil on a hot summer day for a hardscrabble landscaping crew hired by the local bank to maintain the lawns of foreclosures In turns elegiac and harrowing You re in the Wrong Place blends lyric intensity with philosophical eroticism to create a singular powerful vision of contemporary American life Readers of contemporary fiction grounded in place need to take up this collection

Michelle Chouinard s A Tour to Die For Capri Sanzio is back giving a true crime tour her guests won t soon forget After all a tour guide who specializes in serial killers knows better than most that San Francisco is a city with killer charm Capri Sanzio knows that when you give serial killer walking tours for a living unexpected situations are more common than San Francisco s famous fog So when one of her guests claims to see a woman being attacked during a tour Capri remains unphased The police search the apartment in question and find no evidence of anything amiss so they chalk it up to a false report from a true crime fanatic looking to be a part of a case And Capri thinks they might be right since lately her tours have been attracting even more obsessives than usual as it turns out finding the actual serial killer who committed the Overkill Bill murders didn t stop the constant questions about her grandfather s supposed crimes it only intensified them But Capri would never forgive herself if someone is in trouble and she walks away Plus something about the whole situation has every one of Capri s investigative journalist instincts going haywire why would someone lie about seeing an attack So Capri starts to dig and when her questions lead to a body she finds herself at the center of another murder investigation **Ward's Business**
