Switchwords For Financial Miracles: The Subtle Art Of Creating Your Own Reality Monika Pavlickova, 2020-02-29 SWITCHWORDS are super powerful words that can bypass your conscious mind and directly influence your subconscious mind They are very easy and fun to use Create the life of your dreams with Switchwords My ex boss was a short blood sucking vampire His cold eyes and a steely glare that could kill a fly on the spot Many believed that he has been possessed by demons and attending demonic sessions When he asked you a question he would move his head to one side and ask weird questions and shout and scream I would work my ass off to get clients not only for me but also for his business He always wanted more and more clients and increased business revenue without wanting to spend any of his dimes on marketing and advertising On top of it the receptionist did everything she could to repel any good client and kept offering them her own services She was grimacing on virtually all clients Despite all of this I kept working hard did cold calling every day and invested my own money on getting the leads and draining my savings account I couldn't sleep at night from all the mental abuse and physical exhaustion Also at that time I was interested in a guy who promised me collaboration and promotion of my business Of course it didn't happen and worse than that he chose to help a prostitute get some work and promotion I had nobody to turn to so I turned to alcohol for help to soothe the pain I went through a mental breakdown and wanted to commit suicide many times I had no hope and didn't know how to get out of the black magic spell One morning when I woke up in pain and covered in blood and emotionally spiritually and physically depleted with broken glass on the floor I knew something is gotta change NOW I couldn't get up and passed out I started to see the light at the end of the tunnel when I saw the flashing light of the ambulance Who did that I DID Who does that YOU DO Up to your eyeballs in debt Just to have your name on the business door The SS spiritual guru had a diamond ring I called it a blood diamond Because I knew every bit of the blood sweat and tears it took to get new clients for the business He would twist that ring around his finger the whole time he leered at me and talked down to you I lived with my neck under the SS boss boot until the day I discovered and applied the secrets mentioned in this book and my other books REALITY CREATION SECRETS and SWITCHWORDS MIRACLES Spending thousands of pounds on the law of attraction training and books did not work Applying ancient knowledge from my books changing my beliefs applying the right strategies and choosing my own preferred reality did work In 6 weeks I went from 15-2 leads per week to 50-100 per week And I went from chasing and begging the clients to

actually clients chasing and begging me to get an appointment Fast forward a couple of years I own international businesses that are profitable have enough quality leads clients waiting list and my life is happy and peaceful It's the ONE Decision I made that made it happen I started investing in myself and studied reality creation secrets And from then my life has completely changed because now I have multiple thriving online businesses and have a partner who adores me loves me and is very proud of me I went from 0 to hero within a few months just applying the simple wisdom and techniques mentioned in the amazing book *Your life can change too* it is just one decision away from you *Kick Ass In Life and In Business* Cosmic Love Yasmin Boland, 2011-06-01 We've all heard that opposites attract but in fact it's like that attracts like There are powerful natural forces that can help you find true love There's at least one special person for everyone and they're searching for you just as much as you're searching for them See for yourself Start by reading some of the amazing stories in this book and then begin your own journey on the road to love Filled with simple and inexpensive exercises *Cosmic Love* is a practical guide that contains all that is needed to help you find the partner your heart desires Within weeks you'll learn how to turn your attitude around Instead of attracting the wrong type of relationship or repeating old belief patterns you can draw the love you deserve into your life for your very own fairytale ending Really What are you waiting for surrender to Cosmic Love and meet your perfect match

Switchwords For Health & Weight Loss Miracles: The Subtle Art Of Giving A F*ck About The Words You Speak! Monika Pavlickova, 2020-03-18 Apply the power of MAGICAL WORDS to improve your health and lose weight fast WARNING Cookie cutter weight loss advice is at epidemic proportions Case in point The world is fatter than ever before despite the books shelves bulging with diet advice Most guys have no idea that a major obstacle to you having a slim and toned body is in what you think speak and eat This problem is made 100X worse by all the fad diets and crash weight loss programs out there low carb ketogenic etc This is a huge problem because everybody responds to nutrition differently Odds are 90% that any particular program will only make you flabbier and pastier I created a simple combination of MAGICAL WORDS called SWITCHWORDS that will solve this problem The words we speak our beliefs actions visions contribute to the reality we create If you would like a different reality then you have to start by changing the WORDS you speak every day Let me briefly tell you my story My ex boyfriend was a tall handsome ex air force military who became a devil's advocate He sold his soul to a devil to become a movie star He was willing to do anything possible to become one of the movie stars He was a gym junkie and control freak As a result of that he was pushing me to lose weight and be in shape too I tried every diet on the planet joined the gym took slimming pills but nothing really worked for me My partner used to put too much pressure on me regarding my weight and appearance My self esteem went down the hole and my depression was getting worse and worse I didn't feel good and beautiful enough anymore I was in my 20s and spent most of my time fighting my own nature I was trying to be just like every superstar that I admired killing myself in the process For several years my mantra was Massive ACTION solves every problem Which was just incredibly stupid because MASSIVE action

without a great strategy only gives you more problems Your efforts create work that is unfocused and dissipates your energy I spent thousands of hours sweating in the gym throwing money out of the window by trying every diet on the planet and getting more fat and ill during the process I constantly put myself in situations where my greatest strengths got shoved in the closet and my weaknesses were on display for all to see including my increased weight all day long I had nobody to turn to so I turned to alcohol and junk food for help to soothe the pain I went through a mental breakdown and wanted to commit suicide many times I had no hope and didn't know how to get out of the black magic spell One morning when I woke up in pain and covered in blood and emotionally spiritually and physically depleted with broken glass on the floor I knew something is gotta change NOW I couldn't get up and passed out I started to see the light at the end of the tunnel when I saw the flashing light of the ambulance Who did that I DID Who does that YOU DO Up to your eyeballs in debt overweight and bleeding HEART Just to tell your family you are in a relationship and own a business The Bloodsucking Monster my ex fiance gave me a red DIAMOND ring I called it a blood diamond Because I knew every bit of the blood sweat and tears it took to be in that relationship He would twist that ring around my finger the whole time he leered at me and talked down to you His stone face a steely glare that could kill a spider on the spot I lived with my neck under the Monster's boot until the day I discovered and applied the secrets mentioned in this book SWITCHWORDS for Health and Weight Loss and my other books REALITY CREATION SECRETS and SWITCHWORDS MIRACLES Spending thousands of pounds on the weight loss diets did not work Applying ancient knowledge from my books and choosing my own preferred reality did work In 21 days I went from 100 pound GORILLA to Cinderella with a little effort and easy strategy I started applying SWITCHWORDS
