Creating Georgia Minutes Of The Bray Associates 1730 1732 And Supplementary Documents:

Creating Georgia Rodney M. Baine, 2010-07-01 Published in 1995 this volume examines the Bray Associates a philanthropic society founded by the missionary Thomas Bray The Bray Associates was the parent organization of the Georgia Trustees the founding and original governing body of the Georgia Colony James Edward Oglethorpe led the Bray Associates from 1730 to 1732 a period of revitalization for the group It was through the Associates that Oglethorpe's colonial ambitions gained the legitimacy needed to win Parliament's support Rodney M Baine argues that it was not Bray or Captain Thomas Coram but rather James Oglethorpe who was the first individual to envision Georgia as a charitable colony for debtors Further the actual work involved in obtaining the Georgia Charter was accomplished by men appointed by Oglethorpe Baine dates Oglethorpe's first vision of an American haven for debtors released from English prisons to 1729 when Oglethorpe began his efforts to move parliament toward a reform of the prison system The minutes show Oglethorpe at all times in control of the mission of the Bray Associates which he reorganized and expanded with the most active and able members of his parliamentary committee on prison reform Baine believes that no other colony owes its beginnings more to the vision determination and activity of one man A full introduction summarizes the developments in the creation of Georgia and in an appendix Baine disputes previous attributions of Georgia's founding vision to Bray and Coram *Negotiating for Georgia* Julie Anne Sweet, 2005 As Sweet focuses on negotiations between James Oglethorpe the English leader and Tomochichi the Lower Creek representative over issues of trade land and military support she also looks at other individuals and groups who played a role in British Creek interactions during this period British traders missionaries including John Wesley and George Whitefield the Salzburgers of Ebenezer interpreters such as Mary Musgrove the Choctaws Chickasaws and Cherokees British colonists from South Carolina and Spanish and French forces who vied with the Georgia settlers for land trading rights and Indian support **The Good Forest** Karen Auman, 2024-06-01 Georgia the last of Britain's American mainland colonies began with high aspirations to create a morally sound society based on small family farms with no enslaved workers But those goals were not realized and Georgia became a slave plantation society following the Carolina model This trajectory of failure is well known But looking at the Salzburgers who emigrated from Europe as part of the original plan provides a very different story The Good Forest reveals the experiences of the Salzburger migrants who came to Georgia with the support of British and German philanthropy where they achieved self sufficiency in the Ebenezer settlement while following the Trustees plans Because their settlement comprised a significant portion of Georgia's early population their experiences provide a corrective to our understanding of early Georgia and help reveal the possibilities in Atlantic colonization as they built a cohesive community The relative success of the Ebenezer settlement furthermore challenges the inherent environmental cultural and economic determinism that has dominated Georgia history That well worn narrative often implies or even explicitly states that only a slave based plantation economy as implemented after the Trustee era could succeed With

this history Auman illuminates the interwoven themes of Atlantic migrations colonization charity and transatlantic religious networks

James Oglethorpe, Father of Georgia Michael L. Thurmond, 2024-02-15 Founded by James Oglethorpe on February 12 1733 the Georgia colony was envisioned as a unique social welfare experiment Administered by twenty one original trustees the Georgia Plan offered England s worthy poor and persecuted Christians an opportunity to achieve financial security in the New World by exporting goods produced on small farms Most significantly Oglethorpe and his fellow Trustees were convinced that economic vitality could not be achieved through the exploitation of enslaved Black laborers Due primarily to Oglethorpe s strident advocacy Georgia was the only British American colony to prohibit chattel slavery prior to the American Revolutionary War His outspoken opposition to the transatlantic slave trade distinguished Oglethorpe from British colonial America s more celebrated founding fathers James Oglethorpe Father of Georgia uncovers how Oglethorpe s philosophical and moral evolution from slave trader to abolitionist was propelled by his intellectual relationships with two formerly enslaved Black men Oglethorpe s unique friendships with Ayuba Suleiman Diallo and Olaudah Equiano two of eighteenth century England s most influential Black men are little known examples of interracial antislavery activism that breathed life into the formal abolitionist movement Utilizing more than two decades of meticulous research fresh historical analysis and compelling storytelling Michael L. Thurmond rewrites the prehistory of abolitionism and adds an important new chapter to Georgia s origin story

The Empire State of the South Christopher C. Meyers, 2008 This work offers a look at the history of Georgia through over 100 primary documents The Empire State of the South Georgia History in Documents and Essays offers teachers of Georgia history an alternative to the traditional narrative textbook In this volume students have the opportunity to read Georgia history rather than reading about Georgia history Encompassing the entirety of Georgia history into the twenty first century The Empire State of the South is suitable for all courses on Georgia history This text is divided into 16 chapters comprising 129 documents and 33 essays on various topics of Georgia history The primary documents represent a wide range of genres including speeches newspaper columns letters treaties laws proclamations state constitutions court decisions and many others Some documents outline general themes or movements in Georgia history while others address more narrow issues The thirty three essays are excerpts from larger pieces that were written by specialists in Georgia history Each chapter consists of several parts First is a short narrative introduction The second part contains the documents themselves Following the documents are two essays written by historians regarding some topic relevant to the chapter At the end of each chapter is a short list of suggested readings The documents themselves range from the usual state constitutions laws and speeches to the inordinate plans for constructing what is regarded as the state s first concrete home a corny campaign song for Eugene Talmadge an attempt by the General Assembly in 1897 to ban the playing of football and a 1962 letter Martin Luther King Jr wrote from an Albany prison that preceded his more well known Birmingham letter Georgia has indeed had a colorful history and The Empire State of the South tells that story

William Stephens Julie Anne Sweet, 2010-05 In 1737 Englishman William Stephens 1671-1753 sailed to Georgia to serve as colonial secretary to its British Board of Trustees. His lucid reports on the condition of Georgia deeply impressed the board, which eventually appointed him president of the troubled colony. The elderly Stephens adroitly shepherded the fledgling settlement over the following decade through a precarious and tumultuous period. Though Stephens's actions proved critical to the survival of colonial Georgia, historians have largely overlooked his life story. In *William Stephens: Georgia's Forgotten Founder*, Julie Anne Sweet not only fills that gap; she uses the story of Stephens's life as an opportunity to illuminate vital details in the history of early Georgia. She opens by exploring the relationship between Stephens and the British Board of Trustees, demonstrating Stephens's absolute loyalty to his employer. He carried out orders without question, making numerous enemies within the colony as a consequence. By closely examining Stephens's interactions with various political officials and adversaries, Sweet highlights the complicated nature of colonial administration. She also examines Stephens's involvement with international diplomacy and military defense during one of Britain's many wars with Spain and his efforts to maintain good relations with nearby Indian nations. Sweet complements her focus on the public aspects of Stephens's career with a careful analysis of his life beyond politics, including his family, his agricultural endeavors, and his religious convictions. As a result, her captivating intellectual biography of Stephens also provides a deeper and more nuanced understanding of the political and social forces at work in colonial Georgia. Space, the Final Frontier? Ian David Chambers, 2006

Documentary Editing, 1993 *America, History and Life*, 1996 Provides historical coverage of the United States and Canada from prehistory to the present. Includes information abstracted from over 2,000 journals published worldwide.

The Journal of Southern Legal History, 2005

Decoding **Creating Georgia Minutes Of The Bray Associates 1730 1732 And Supplementary Documents**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Creating Georgia Minutes Of The Bray Associates 1730 1732 And Supplementary Documents**," a mesmerizing literary creation penned by a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
