Crunch And Des Classic Stories Of Saltwater Fishing:

Crunch & Des Philip Wylie, 2014-07-01 Philip Wylie's enthralling tales of saltwater fishing have been entertaining readers of the Saturday Evening Post since 1939. Captain Crunch Adams, skipper of the charter boat Poseidon, and his friend and partner Des Smith, adventure high and low in the waters of Florida, coming face to face with big fish and bigger personalities along the way. Featuring 22 of Wylie's best Crunch and Des stories, this is a delightful compendium of every thrill fishing has to offer. These beloved adventures include *Widow Voyage*, *Light Tackle*, *Fifty four Forty*, and *Fight The Way of All Fish*. The *Affair of the Ardent Amazon*, *Smuggler's Cove*, and more favorite classics. With each Crunch and Des story selected by the author's daughter, these tales begin a journey of saltwater nostalgia, marine adventure, and warmhearted personalities that will last far beyond the last page. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Florida on the Boil Kenneth F. Kister, 2007 Provides incisive reviews of more than 300 recommended novels and short story collections set in Florida. Numerous Florida fiction writers past and present are represented in the book, including such diverse talents as Edna Buchanan, Harry Crews, Connie May Fowler, and others. Excerpted from book cover.

Fishing Club Bob Rich, 2006-05-01 Bob Rich may very well be the Don Quixote of fishing, always on a quest for the most memorable experiences on the water. His first book, *Fish Fights*, followed his attempt to qualify for membership in the Metropolitan South Florida Fishing Hall of Fame. In *The Fishing Club*, he expands his geography worldwide, and the result is a delightful and inspiring chronicle about his search to discover what drives all anglers in their hunt for fish. A former president of the United States, George Herbert Walker Bush, a Hall of Fame slugger, Ted Williams, the world's most famous bass fisherman, Bill Dance, and an Olympic skier, Andy Mill, are just a few of the friends Bob enlists to help in his search. Interesting people and passionate anglers all they share with a fishing buddy, their first memories of fishing, reflections on what impact the sport has had on their lives, and why they love to fish. Their stories, as told to an ardent and articulate brother of the angle, make *The Fishing Club* a very special book and an enjoyable read. Through it all, you'll feel part of the fishing fraternity that includes Bob, his friends, and the many anglers he meets on his journey around the fresh and salt waters of the world.

Why We Fish Bob Rich, 2025-06-10 In *Why We Fish*, Bob Rich uncovers the universal bond that connects anglers across the globe, revealing how the simple act of casting a line can inspire optimism, forge friendships, and celebrate our shared humanity. Described by friends as the Don Quixote of fishing and an ardent and articulate brother of the angle, successful businessman, dedicated philanthropist, and passionate angler Bob Rich takes

readers on an enlightening expedition through the waters of the world both fresh and salt in search of the common thread that bonds all fishermen together From the frosty brilliance of the Bering Sea to the sun soaked splendor of the Florida Keys Rich seeks out the stories of what motivates everyone who is drawn to fish whether it s a search for solitude or a restlessness for adventure I like people who fish explains Rich They are categorically the most positive optimistic people in the world Like sitting around a campfire with your favorite fishing fraternity Why We Fish tells the larger than life stories of some of history s most compelling anglers including a former US president an Olympic downhill skier a world renowned heart surgeon a retired steelworker and a baseball Hall of Famer Always on a quest for the most memorable experiences on the water Rich introduces readers to individuals from all walks of life equipped with different kinds of tackle who are drawn to a variety of waters across the country and around the world As they tell their stories of who first taught them to fish the incredible impact fishing has had on their lives and what keeps them looking ahead to the next adventure their individual stories merge into one collective greater tale of celebrating our differences while cherishing our common humanity *Pineapple*
