

C.S.E.T. Responses

CSET is a writing strategy designed to help students provide thorough, evidence-based responses to critical thinking questions. At their basic form, CSET responses are very similar to argumentative essays. CSET responses require a reference text of some form and a question that can be answered subjectively.

Let's start by examining the core prompt:

For the purposes of this example the focus question is:

What step from the Hero's Journey Cycle suggests that Thanos is the real hero in Avengers: Infinity War? "spoilers"

Element	Description	Example
C - Claim	This is a one-sentence answer that directly responds to the focus question. This is also often thought of as a thesis statement.	According to the forward step of the Hero's Journey cycle, Thanos is the real hero in Avengers: Infinity War.
S - Set Up	This is where you provide any background information that will help your evidence in the next step make sense. This is a great space for a summary of the text or topic.	In Infinity War, the viewer learns a great deal about the background of Thanos and the trials he must overcome to achieve his ultimate goal of using the Infinity Gauntlet to save the universe.
E - Evidence	Now it's time to step 'em with your proof. You generally want to use a direct quote from your reference text. It's best using your article for this example. It is important to lead up to the quote with a bit of context, and always always always remember your quotation marks!	The article explains parts of Joseph Campbell's Hero's Journey Cycle by saying that a "[h]ero takes possession of the reward/treasure he won by facing his greatest challenge, marking his triumph over the Antagonist. This reward/treasure is what the Hero went on the journey to get."
T - Tie In	Finally, you must explain your evidence. You should never leave your audience to make the final jump back to your point. You must lead them there, carefully.	This description of the hero's reward, matches Thanos' journey in Infinity War. Thanos spends the majority of the film constructing the Infinity Gauntlet. He ultimately achieves his goal despite setbacks of the Avengers' interference.
