Runaway and Freed Missouri Slaves and Those Who Helped Them, 1763-1865 Harriet C. Frazier, 2004-01-01 From the beginning of French rule of Missouri in 1720 through this state's abolition of slavery in 1865 liberty was always the goal of the vast majority of its enslaved people The presence in eastern Kansas of a host of abolitionists from New England made slaveholding risky business Many religiously devout persons were imprisoned in Missouri for slave stealing Based largely on old newspapers prison records pardon papers and other archival materials this book is an account of the legal and physical obstacles that slaves faced in their quest for freedom and of the consequences suffered by persons who tried to help them Attitudes of both slave holders and abolitionists are examined as is the institution's protection in both the Articles of Confederation and the U S Constitution The book discusses the experiences of particular individuals and examines the Underground Railroad on Missouri's borders Appendices provide details from two Spanish colonial census reports a list of abolitionist prison inmates with details about their time served and the percentages of African Americans still in bondage in 16 jurisdictions from 1820 to 1860 *Missouri Legends: Famous People from the Show-Me State, 2nd Edition* John W.

Brown,2021-10-01 Walt Disney Brad Pitt Jack Dorsey Payne Stewart Josephine Baker Samuel Clemens George Washington Carver What do these icons have in common They were all raised in the Show Me State This second edition of Missouri Legends brings renowned politicians authors artists athletes performers and historical figures to life The book profiles more than 200 famous Missourians with dozens of new entries Each profile includes a brief account of their formative years in Missouri and how they became legendary With the second edition readers will learn even more about the historically significant Jesse James Gen John J Pershing Laura Ingalls Wilder major politicians Harry S Truman Jack Danforth Bill Bradley groundbreaking artists Scott Joplin Thomas Hart Benton T S Eliot business innovators Dale Carnegie Sam Walton J C Penney sports legends Yogi Berra Albert Pujols Grant Wistrom iconic entertainers Redd Foxx Steve McQueen Sheryl Crow and world famous leaders in science technology broadcasting and other fields From the smallest towns to the big cities there are legends all around us This book is a celebration of our Show Me State heroes who have made an impact on the world and it all started in Missouri

A History of Missouri William E. Parrish,2001-09 A History of Missouri Volume III 1860 to 1875 now available in paperback with a new up to date bibliography follows the course of the state s history through the turbulent years of the Civil War and Reconstruction Increasingly bitter confrontations over the questions of secession and neutrality divided Missourians irreparably in 1861 with the result that the state was represented in the armies both of the North and of the South During the next four years Missouri would be the scene of several important battles including Wilson s Creek and Westport and much bloody combat as secessionist guerrillas and Union militias engaged in constant encounters throughout the state Indeed Missouri probably saw more military encounters during the war than any other state Out of the chaos the Radical party emerged as a powerful political force seeking to eradicate pro Confederate influences and its efforts made the Reconstruction era as volatile as the war years had been Jesse and Frank James who had been part of Quantrill s guerrillas continued to provoke disorder through their numerous bank and train robberies In their efforts to establish a new order the Radicals effected a new highly proscriptive constitution In the long run however they were unable to eradicate the strong conservative influences in the state and by the mid 1870s reaction set in In addition to the important political events of the period the social and economic conditions of the state immediately before during and after the war are treated in A History of Missouri Volume III Despite the ravages of war and political dispute Missouri managed during Reconstruction to make impressive strides in economic development education and racial equality The changes introduced by such industries as railroads farming and mining served to revitalize the state and to guarantee its future growth and development This volume will be an essential resource for anyone scholars students and general readers interested in this crucial and important part of Missouri s history
