Ctrl [space] Thomas Y. Levin, Ursula Frohne, Peter Weibel, 2002 The unknown history of surveillance in relation to changing systems of representation and visual arts practice **CTRL [space]** Thomas Y. Levin, Ursula Anna Frohne, Peter Weibel, 2002 *Ctrl Space* ZKM - Center for Art and Media (Karlsruhe), Michel Foucault, Paul Virilio, Victor Burgin, Gilles Deleuze, Dan Graham, Jean Baudrillard, 2002 **Theorizing Surveillance** David Lyon, 2006-08-01 This book is about explaining surveillance processes and practises in contemporary society Surveillance studies is a relatively new multi disciplinary enterprise the aims to understand who watches who how the watched participate in and sometimes question their surveillance why surveillance occurs and with what effects This book brings together some of the world s leading surveillance scholars to discuss the why question The field has been dominated since the groundbreaking work of Michel Foucault by the idea of panopticon and this book explores why this metaphor has been central in discussions of surveillance what is fruitful in the panoptic approach and what are the possible approaches can throw better light on the phenomena in question Since the advent of networked computer databases and especially since 9 11 questions of surveillance have come increasingly to the forefront of democratic political and policy debates in the global north and to an extent in the global South Civil liberties democratic participation and privacy are some of the issues that are raised by these developments But little progress can be made in responding to these issues without an adequate understanding of how how well and whether or not surveillance works This book explores the theoretical questions in a way that is grounded in and attuned to empirical realities *The Handbook of Social Control* Mathieu Deflem, 2019-01-11 The Handbook of Social Control offers a comprehensive review of the concepts of social control in today s environment and focuses on the most relevant theories associated with social control With contributions from noted experts in the field across 32 chapters the depth and scope of the Handbook reflects the theoretical and methodological diversity that exists within the study of social control Chapters explore various topics including theoretical perspectives institutions and organizations law enforcement criminal justice agencies punishment and incarceration surveillance and global developments This Handbook explores a variety of issues and themes on social control as being a central theme of criminological reflection The text clearly demonstrates the rich heritage of the major relevant perspectives of social control and provides an overview of the most important theories and dimensions of social control today Written for academics undergraduate and graduate students in the fields of criminology criminal justice and sociology The Handbook of Social Control is an indispensable resource that explores a contemporary view of the concept of social control *Screening Shakespeare in the Twenty-First Century* Mark Thornton Burnett, 2006-09-27 This bold new collection offers an innovative discussion of Shakespeare on screen after the millennium Cutting edge and fully up to date it surveys the rich field of Bardic film representations from Michael Almereyda s Hamlet to the BBC Shakespea Re Told season from Michael Radford s The Merchant of Venice to Peter Babakitis Henry V In addition to offering in depth

analyses of all the major productions Screening Shakespeare in the Twenty First Century includes reflections upon the less well known filmic Shakespeares which encompass cinema advertisements appropriations post colonial reinventions and mass media citations and which move across and between genres and mediums Arguing that Shakespeare is a magnet for negotiations about style value and literary authority the essays contend that screen reinterpretations of England s most famous dramatist simultaneously address concerns centred upon nationality and ethnicity gender and romance and McDonaldisation and the political process thereby constituting an important intervention in the debates of the new century As a result through consideration of such offerings as the Derry Film Initiative Hamlet the New Zealand The Maori Merchant of Venice and the television documentary In Search of Shakespeare this collection is able to assess as never before the continuing relevance of Shakespeare in his local and global screen incarnations Features Only collection like it on the market bringing the subject up to date Twenty first century focus and international coverage Innovative discussion of a wide range of films and television Accessibly written for students and general readers **Architecture and Control** ,2018-01-03

Architecture and Control makes a collective critical intervention into the relationship between architecture including virtual architectures and practices of control since the turn of the twentieth to twenty first centuries Authors from the fields of architectural theory literature film and cultural studies come together here with visual artists to explore the contested sites at which in the present day attempts at gaining control give rise to architectures of control as well as the potential for architectures of resistance Together these contributions make clear how a variety of post 2000 architectures enable control to be established all the while observing how certain architectures and infrastructures allow for alternative progressive modes of control and even modes of the unforeseen and the uncontrolled to arise Contributors are Pablo Bustinduy Rafael Dernbach Alexander R Galloway Hans Ulrich Gumbrecht Maria Finn Runa Johannessen Natalie Koerner Michael Krause Samantha Martin McAuliffe Lorna Muir Mikkel Bolt Rasmussen Anne Elisabeth Sejten and Joey Whitfield *The Peep Diaries* Hal Niedzviecki,2009-06-01 We have entered the age of peep culture a tell all show all know all digital phenomenon that is dramatically altering notions of privacy individuality security and even humanity Peep culture is reality TV YouTube MySpace Facebook Twitter over the counter spy gear blogs chat rooms amateur porn surveillance technology Dr Phil Borat cell phone photos of your drunk friend making out with her ex boyfriend and more In the age of peep core values and rights we once took for granted are rapidly being renegotiated often without our even noticing With hilarious exasperated acuity social critic Hal Niedzviecki dives into peep starting his own video blog joining every social network that will have him monitoring the movements of his toddler selling his secrets on Craigslist hiring a private detective to investigate him spying on his neighbors trying out for reality TV shows and stripping for the pleasure of a web audience he isn t even sure exists Part travelogue part diary part meditation and social history The Peep Diaries explores a rapidly emerging digital phenomenon that is radically changing not just the entertainment landscape but also the firmaments of our culture and

society The Peep Diaries introduces the arrival of the age of peep culture and explores its implications for entertainment society sex politics and everyday life Mixing first rate reporting with sociological observations culled from the latest research this book captures the shift from pop to peep and the way technology is turning gossip into documentary and Peeping Toms into entertainment journalists Packed with stranger than fiction true life characters and scenarios The Peep Diaries reflects the aspirations and confusions of the growing number of people willing to trade the details of their private lives for catharsis attention and notoriety Hal Niedzviecki is the founder of Broken Pencil magazine and has published numerous works of social commentary and fiction including Hello I m Special How Individuality Became the New Conformity and Look Down This Is Where It Must Have Happened which is also published by City Lights Publishers

Critical Digital Studies Arthur Kroker, Marilouise Kroker, 2008-01-01 Since its initial publication Critical Digital Studies has proven an indispensable guide to understanding digitally mediated culture Bringing together the leading scholars in this growing field internationally renowned scholars Arthur and Marilouise Kroker present an innovative and interdisciplinary survey of the relationship between humanity and technology The reader offers a study of our digital future a means of understanding the world with new analytic tools and means of communication that are defining the twenty first century The second edition includes new essays on the impact of social networking technologies and new media A new section New Digital Media presents important new articles on topics including hacktivism in the age of digital power and the relationship between gaming and capitalism The extraordinary range and depth of the first edition has been maintained in this new edition Critical Digital Studies will continue to provide the leading edge to readers wanting to understand the complex intersection of digital culture and human knowledge

The Gypsy Debate Joanna Richardson, 2017-02-13 Jo Richardson explores the extent to which modes of discourse reflect antipathy towards gypsies and travellers and control and shape the treatment of this minority group by the rest of society The focus is housing policy but her discussion has a wide application
