Chain Store Age ,2009-07 **The Culinarians** David S. Shields,2017-10-26 A first ever history of the nation s foundational culinarians the chefs caterers and restaurateurs who made cooking an art Marcie Cohen Ferris author of *The Edible South* In this encyclopedic history of the rise of professional cooking in America the 175 biographies include the legendary Julien founder in 1793 of America s first restaurant Boston s Restorator and Louis Diat and Oscar of the Waldorf the men most responsible for keeping the ideal of fine dining alive between the World Wars Though many of the gastronomic pioneers gathered here are less well known their diverse influence on American dining should not be overlooked plus their stories are truly entertaining We meet an African American oyster dealer who became the Congressional caterer and thus a powerful broker of political patronage a French chef who was a culinary savant of vegetables and drove the rise of California cuisine in the 1870s and a rotund Philadelphia confectioner who prevailed in a culinary contest with a rival in New York by staging what many believed to be the greatest American meal of the nineteenth century He later grew wealthy selling ice cream to the masses Shields also introduces us to a French chef who brought haute cuisine to wealthy prospectors and a black restaurateur who hosted a reconciliation dinner for black and white citizens at the close of the Civil War in Charleston Altogether *The Culinarians* is a delightful compendium of charcuterie makers pastry pipers caterers railroad chefs and cooking school matrons not to mention drunks temperance converts and gangsters who all had a hand in creating the first age of American fine dining and its legacy of conviviality and innovation that continues today **Love in Disguise** Alana Clayton,1994 When an eligible lady masquerades as a widowed housekeeper in order to support her sister s child she falls in love with the dashing lord who employs her A world weary soldier Giles Earl of Castleton soon finds himself increasingly drawn to his lovely but oddly reticent servant *Regency Romance* [Hopeless Cases](#) Charles H. McCormick,2005-03-18 *Hopeless Cases* describes the futile search for those responsible for a series of apparently related terrorist attacks and plots in the World War I Red Scare era during the final surge of early twentieth century anarchist violence in the United States The most brazen attacks occurred in 1919 when bombs mailed to thirty six public figures nationwide in May were followed in June by coordinated nearly simultaneous bombings aimed at public figures and institutions in eight cities The end of the campaign was the Wall Street explosion September 16 1920 that killed forty and injured hundreds Scores were arrested thirty for the Wall Street explosion alone but lawmen never caught the culprits Fears aroused by bomb blasts gave the Justice Department carte blanche to roundup and deport alien radicals particularly Bolsheviks in 1919 1920 The bombings raised issues including the fear of an unknown enemy and the government s need for accurate intelligence that mirror today s post 9 11 era The book profiles the suspects but focuses on the investigators especially the Bureau of Investigation and its spies and informants Based largely upon FBI files it explores the Bureau s relationship with British Intelligence in New York City and to the Sacco Vanzetti case as well as a privately funded search for the bombers Throughout the manhunt was

handicapped by disputes with other law enforcement agencies and by intra Bureau jealousies and rivalries agent job insecurity and high turnover inadequate training and resources and morale problems particularly in the New York and Boston field offices **The Oxford Encyclopedia of Food and Drink in America** Andrew Smith,2013-01-31 Home cooks and gourmets chefs and restaurateurs epicures and simple food lovers of all stripes will delight in this smorgasbord of the history and culture of food and drink Professor of Culinary History Andrew Smith and nearly 200 authors bring together in 770 entries the scholarship on wide ranging topics from airline and funeral food to fad diets and fast food drinks like lemonade Kool Aid and Tang foodstuffs like Jell O Twinkies and Spam and Dagwood hoagie and Sloppy Joe sandwiches
