Creature Comforts: Private Pen Pals Rochelle Lynn Holt, 2008-03-13 To understand the shifting emotions human beings go through daily regarding any and all relationships to family friends lovers acquaintances and strangers ourselves included each of us needs to continue to evolve and to become educated while living creatively in a stressful society and world My original purpose was to match a different animal and subject for every day of the year As it turned out some months have more entries than others but none is less than a month without Sundays and or weekends Often true benefit only takes place when the self who feels victimized expresses emotions on paper i e in form of a missive to someone else to comprehend whatever may be bothering the letter writer But these letters aren't intended to be sent they are private Instead consider this volume a way and means to comfort and or offer a solution or resolution to a troubling issue For only by appreciating ourselves can we totally fathom others before ultimately caring about humanity at large enough to accept and tolerate eventually love each other's distinct uniqueness in this vast universe still striving for peace and harmony Writing letters has become a dying art So too comprehending the significance of all creatures to balance our environment that is dependent on survival of on animals and insects Perhaps you won't be able to resist sending one or two missives to the right or wrong person That's up to you I offer Creature Comforts with the genuine hope that you may realize every creature on earth has a purpose From the Author's Introduction dated Jan 21 2008 **Leeds Pals** Laurie Milner, 1990-12-31 15th Service Battalion The Prince of Wales's Own West Yorkshire Regiment **Truth** ,1888 **The Friend** ,1863 **American Globe** ,1909 Alexander Pope Yasmine Gooneratne, 1976-09-16 Although Pope's reputation as a poet has never been higher among scholars and academics changes in our attitudes to the writing of poetry and to traditional literary values and fashions in versification have created barriers between his genius and the general reader Pope's poetry has to struggle against the assumptions that verse two centuries ago filled with allusions to forgotten myths and contemporary personalities can have little to say that is relevant Professor Gooneratne's study effectively shows how these barriers can be surmounted by the reader allowing Pope's work to make its impact upon the imagination in its own way as the expression of a powerful poetic personality which developed over forty years of continuous authorship Every major poem in the Pope canon is fully and critically discussed related to social circumstances that governed its composition and considered both as an example of generic writing and as an expression of personal feelings and convictions Through detailed analysis of Pope's diction and poetic technique Professor Gooneratne shows how his best and most deeply felt verse expresses the living values of the Age of Enlightenment and demonstrates how a good writer can simultaneously extend and criticise the standards of his society
