Transforming Early Head Start Home Visiting Bridget A. Walsh, Jennifer A. Mortensen, 2019-10-29 Research on home visiting shows that Early Head Start EHS home based programs benefit from additional training and resources that streamline philosophy and content In this essential guide Walsh and Mortensen propose that alignment with Family Life

Education's FLE strengths based methodology results in greater consistency through a model of prevention education and collaboration with families. This text is the first to outline linkages between FLE and EHS home visiting. It explores a qualitative study of FLE integrated in a current EHS home based program and application of FLE methodology to home visiting topics. This approach will influence professional practice and provide a foundation for developing evidence based home visiting practices. Online content accompanies the text with videos demonstrating the FLE approach in action and discussion questions to encourage engagement with and understanding of the core material. Transforming Early Head Start Home Visiting: A Family Life Education Approach is essential reading for upper level undergraduate and masters students in family studies and early childhood education as well as practitioners working with children and families. *Introduction to Human Development and Family Studies* Bridget A. Walsh, Dana A. Weiser, Lydia DeFlorio, Melissa M. Burnham, 2017-03-31

Introduction to Human Development and Family Studies is the first text to introduce human development and family studies. HDFS as inextricably linked areas of study giving students a complex yet realistic view of individuals and families. Pioneers of research paradigms have acknowledged that the family is one setting in which human development occurs. Moreover in many academic programs the lines of these two disciplines blur and much work is inherently multidisciplinary and interdisciplinary. This book helps to fortify an understanding of HDFS and subareas within it. Vignettes from current HDFS students as well as new professionals an overview of the lifespan stage s within the family context a wide description of research methods and applications current policy issues relevant to the area and discussions of practice careers coupled with strategies for pursuing specializations or careers in the area are hallmarks of this textbook. Introduction to Human Development and Family Studies is essential reading for students new to the major and minor wanting to know What is HDFS Who are the people involved in HDFS Why is HDFS important How does theory and research inform work in HDFS What does the pursuit of being an ethical professional require What are the key areas in HDFS Incredibly user friendly both on the page and online the text also features the following resources Chapter Summaries where the main points of each chapter are pinpointed at the end of every chapter for review and study Key Terms listed and defined within the margins of every chapter a complete Glossary at the end of the text and Flashcards online for additional review and study Challenge Integration section at the end of each chapter that underscores concepts from the chapter and draws connections between content presented in other chapters Journal Questions to encourage reflection about the content and encourage thinking about some of the content coupled with students own experiences Suggested Resources that lists relevant websites books articles and video links for further study A Closer Look at Applied Experiences Appendix outlines the internship process and shows how the internship experience can be meaningful and useful and a Consuming Research Appendix that focuses on what it means to be a consumer of research the knowledge and skills consumers need and considerations for transitioning from a consumer of research to a producer of research. *Handbook of Marriage and the Family* Gary W. Peterson, Kevin R. Bush, 2012-09-14

The third edition of *Handbook of Marriage and the Family* describes, analyzes, synthesizes, and critiques the current research and theory about family relationships, family structural variations, and the role of families in society. This updated *Handbook* provides the most comprehensive state-of-the-art assessment of the existing knowledge of family life with particular attention to variations due to gender, socioeconomic, race, ethnic, cultural, and life style diversity. The *Handbook* also aims to provide the best synthesis of our existing scholarship on families that will be a primary source for scholars and professionals but also serve as the primary graduate text for graduate courses on family relationships and the roles of families in society. In addition, the involvement of chapter authors from a variety of fields including family psychology, family sociology, child development, family studies, public health, and family therapy gives the *Handbook* a multidisciplinary and interdisciplinary framework.
