In *Administering the California Special Needs Trust*, author Kevin Urbatsch presents a guide for anyone assigned the duty of managing a Special Needs Trust for a person with a disability. Though geared toward those who never have administered a trust, it also provides sophisticated answers for experienced trustees concerning some of the unique responsibilities a trustee of a special needs trust will encounter. Urbatsch, a California attorney who has years of experience in assisting trustees to manage special needs trusts, has written extensively for both attorneys and families on how best to establish a special needs trust. *Administering the Special Needs Trust* addresses specific California issues that a special needs trust trustee encounters daily. In a question and answer format, it addresses how to avoid the most common mistakes made by SNT trustees, understand the type of public benefits available for California persons with disabilities, learn how SNT disbursements will affect these public benefits, best pay for a person with a disability's housing, caregiver costs, transportation, and related expenses, handle SNT investments, accountings, and taxes, terminate the SNT. With checklists, form documents, and law summaries included, *Administering the Special Needs Trust* contains a wide range of information for those charged with the responsibility of managing a special needs trust for people with disabilities.
