Cesar Chavez On My Own Biographies:

Cesar Chavez Ginger Wadsworth, 2005-01-01 During the Great Depression many people had to work long hours and were barely paid enough to survive Cesar Chavez felt this treatment was unfair and worked to secure more rights He formed a Union and led strikes and marches that forced landowners to increase wages and improve working conditions This account shows how Chavez inspired others proving that it was not necessary to resort to violence to produce change **César Chávez. On My Own Biographies**, 2005 During the Great Depression many people had to work long hours and were barely paid enough to survive Cesar Chavez felt this treatment was unfair and worked to secure more rights He formed a Union and led strikes and marches that forced landowners to increase wages and improve working conditions This account shows how Chavez inspired others proving that it was not necessary to resort to violence to produce change **Cesar Chavez** Joeming Dunn, 2008-09-01 Graphic novels aren't just for superheroes Cesar Chavez has been plucked from history books and his life and accomplishments have been depicted in an informative nonfiction graphic novel The subject's birth childhood education and humanitarian efforts have been skillfully told with detailed art Further reading lists timelines glossaries and indexes make these titles useful in classroom discussion Graphic Planet is an imprint of Magic Wagon a division of ABDO Publishing Group Grades 3-6 **The Gospel of César Chávez** Mario T. Garcia, 2007-08-10 Once asked to explain how he had sustained himself over so many years of struggle Cesar Chavez responded I don't think I could base my will to struggle on cold economics or some political doctrine For me the base must be faith In evaluating the life and struggles of Cesar Chavez one of the most recognized Latino leaders in the United States and the first labor leader to successfully organize and unionize U.S. farm workers many historians journalists and other writers have largely missed one significant factor of his life his faith and deep spirituality The Gospel of Cesar Chavez uses the prolific leader's own words to express his profound faith and the way it shaped his life and leadership **Cesar Chavez** Ginger Wadsworth, 2005-01-01 An illustrated biography of Cesar Chavez who worked to improve conditions for farm workers by helping to establish a union for them and by leading strikes to raise their pay and better their working conditions **Father Luis Olivares, a Biography** Mario T. García, 2018-08-01 This is the amazing untold story of the Los Angeles sanctuary movement's champion Father Luis Olivares 1934-1993 a Catholic priest and a charismatic faith-driven leader for social justice Beginning in 1980 and continuing for most of the decade hundreds of thousands of Salvadoran and Guatemalan refugees made the hazardous journey to the United States seeking asylum from political repression and violence in their home states Instead of being welcomed by the country of immigrants they were rebuffed by the Reagan administration which supported the governments from which they fled To counter this policy a powerful sanctuary movement rose up to provide safe havens in churches and synagogues for thousands of Central American refugees Based on previously unexplored archives and over ninety oral histories this compelling biography traces the life of a complex and constantly evolving individual from Olivares's humble beginnings in San Antonio Texas to his close friendship

with legendary civil rights leader Cesar Chavez and his historic leadership of the United Neighborhoods Organization and the sanctuary movement Georgia O'Keeffe Linda Lowery,1996-01-01 Traces the life and career of the famous American painter Pocahontas Shannon Zemlicka,2002-08-01 As the young daughter of a powerful Powhatan leader Pocahontas befriended the English settlers in Jamestown Virginia Although she helped them survive their difficult first years and she may have saved settler John Smith's life they took Pocahontas captive After her release Pocahontas married an English settler and journeyed to England Although she was just twenty one years old when she died Pocahontas changed American history through her compassion and friendship **The Rhetorical Career of Cesar Chavez** John C. Hammerback,Richard J. Jensen,2003-04 Although born into one of the least powerful segments of American society Cesar Chavez led the farm labor movement to unprecedented heights His powerful effect on audiences is well known but award winning scholars John C Hammerback and Richard J Jensen offer the first explanation of how Chavez achieved that effect Although other studies of Chavez exist none has examined so thoroughly his rhetoric nor analyzed in depth such a large number of Chavez's own texts scores of which have previously been unstudied Chavez was an indefatigable speaker writer and non discursive communicator who developed a well thought out approach to his rhetorical discourse and placed his speaking and writing at the very center of his career By merging thought and character in his themes arguments and explanations and in his first and second personae Chavez was able to identify with the character of his listeners That identification induced many audience members to support Chavez's agenda for union activism The authors have developed a model to help explain Chavez's startling transformation of some audiences and persuasion of others Hammerback and Jensen reveal that Chavez's world view motivated him to work tirelessly and directed him to the particular rhetorical qualities and techniques that characterized his discourse The authors also demonstrate Chavez's surprising effectiveness as a rhetor despite his soft spoken style uncharacteristic of most powerful orators George Washington Carver Andy Carter,Carol Saller,2000-08-01 Born a slave near the end of the Civil War George Washington Carver was a small and sickly child Too frail to work in the fields of the Missouri farm where he grew up George did chores around the house But when his work was done he headed for the woods There his lifelong love of nature was born As a teacher and scientist at Alabama's Tuskegee Institute in the 1900s George Washington Carver became famous for his work helping farmers grow better crops while sharing with them his love of nature's beauty Follow George's inspiring life through this beautifully illustrated and engagingly written book
