*Process Theology and Celtic Wisdom* Bruce G Epperly, 2018-12-14 The Christian life is a holy adventure Bruce Epperly has opened up that adventure to everyone in his previous books *Process Theology* *Process Spirituality* and *Process and Ministry* Now he connects this adventure to ancient roots in Celtic spirituality This book takes a meditative experiential approach to the complex often difficult topic of process theology and brings it to life for everyday spiritual practice while rooting it in Celtic wisdom This is not the place for rigid doctrine and adherence to a set of commands Instead Epperly hears God's call to embrace a God who is available to us a call to adventure and the hope for new spiritual vistas This spiritual journey will resonate in how we live and build community This is a short volume designed for anyone to read It is suitable for individual or group study It aims to make both process theology and Celtic wisdom available to everyone **Books Ireland**
