AW Chickering

De Kolonisatie Van Afrika:

Congoville Pieter Boons, Sandrine Colard, 2021-06-01 One hundred years after the founding of the *cole Coloniale Supérieure* in Antwerp the adjacent Middelheim Museum invites Sandrine Colard researcher and curator to conceive an exhibition that probes silenced histories of colonialism in a site specific way For Colard the term *Congoville* encompasses the tangible and intangible urban traces of the colony not on the African continent but in 21st century Belgium a school building a park imperial myths and citizens of African descent In the exhibition and this adjoining publication the concept *Congoville* is the starting point for 15 contemporary artists to address colonial history and ponder its aftereffects as black fl neurs walking through a postcolonial city Due to the multitude of perspectives and voices this book is both a catalogue and a reference work comprised of artistic and academic contributions Together the participating artists and invited authors unfold the blueprint of *Congoville* an imaginary city that still subconsciously affects us but also encourages us to envision a decolonial utopia Een eeuw na de oprichting van de *cole Coloniale Supérieure* in Antwerpen nodigt het naburige Middelheimmuseum onderzoeker en curator Sandrine Colard uit om een tentoonstelling te creëren die sitespecifiek peilt naar de stille geschiedenissen van het kolonialisme *Congoville* duidt op de zichtbare en onzichtbare stedelijke sporen van de kolonie niet op het Afrikaanse continent maar pal in het België van vandaag een schoolgebouw een park imperialistische mythes en burgers van Afrikaanse origine Doorheen de tentoonstelling en deze bijhorende publicatie is *Congoville* de context waarbinnen 15 hedendaagse kunstenaars als zwarte fl neurs op pad in een postkoloniale stad het koloniale verleden en de impact ervan adresseren Door de veelheid aan perspectieven en stemmen is dit boek tegelijk een catalogus en een naslagwerk met zowel academische als artistieke bijdragen Samen ontvouwen de betrokken kunstenaars en auteurs de blauwdruk van *Congoville* een imaginaire stad die ons nog steeds onbewust in haar greep houdt maar ons ook aanspoort om na te denken over een de koloniaal utopia With contributions by Met bijdragen van Pieter Boons Sandrine Colard Filip De Boeck Bas De Roo Nadia Yala Kisukidi Sorana Munsya L onard Pongo Herman Van Goethem Sara Weyns Nabilla Ait Daoud Participating artists Deelnemende kunstenaars Sammy Baloji Bodys Isek Kingelez Maurice Mbikayi Jean Katambayi KinAct Collective Simone Leigh Hank Willis Thomas Zahia Rahmani Ibrahim Mahama ngela Ferreira Kapwani Kiwanga Sven Augustijnen Pascale Marthine Tayou Elisabetta Benassi P lagie Gbaguidi For more information visit www.middelheimmuseum.be/nl/activiteit/congoville *Oost tegen West, Noord tegen Zuid* Herman de Prins, 2005 Geschiedenis van de wereld vanaf 1950 tot 2005 *The Boers in East Africa* Brian M. du Toit, 1998-10-28 The end of the Anglo Boer War in May 1902 left the Boers Afrikaners defeated and bitter in a ravaged land Poverty and disillusionment spurred many to leave the post war British administered South Africa This book studies one group of emigres who trekked northward to German East Africa and British East Africa The author relies heavily on primary sources written in both Dutch and Afrikaans to describe the experiences of the Boers in East Africa The literature dealing with the Afrikaners documents a people known

for their independent insistence upon their language and culture for their territorial sovereignty established in southern Africa and for their characteristic religiosity and reliance on Old Testament based Calvinism Large numbers of Boers would not or could not adjust to living under an administration with whom they had been at war and those who tried did not receive much support As one eyewitness wrote Not much was needed to stimulate the desire to trek And so the Afrikaner Diaspora began
