De Gids Algemeen Cultureel Maandblad:

De gids ,1859 *De gids* ,1870 **A Critical Survey of Studies on Malay and Bahasa Indonesia A.**

Teeuw,2013-04-17 In this book I have aimed at completeness in the sense that all publications known to me which are wholly or partly devoted to Malay and Bahasa Indonesia B I or are important for the study of these languages have been included Popular publications in non professional periodicals have been included only exceptionally All the publications mentioned in the text are incorporated in the Bibliography p 91 157 The countless articles in four post war semi professional periodicals in 1alaya and Indonesia Dewan Bahasa Pembina Bahasa Indonesia 11 1 edan Bahasa Bahasa dan Budaja are not mentioned separately in the Bibliography but sections 33 to 36 contain a survey as complete and systematic as possible of the contents of these periodicals in so far as they pertain to the Malay language nor have I discussed in the text or incorporated in the Bibliography several hundreds of titles of practical textbooks or school books of Malay or B I which are of no importance to the scientific study of these language These titles have been entered in a separate Appendix p 158 171 The fact that completeness was aimed at certainly does not mean that it has been achieved Especially various recent writings from Indonesia and Malaya may have escaped my attention Experience has also proved that publications on Malay sometimes appear in the most unexpected places The qualification above publications devoted to or impor tant for the study of Malay and B I has been taken in a wide sense **Speaking and Semiology** ,1991 No detailed description available for Speaking and Semiology

Speaking and Semiology Richard L. Lanigan,2013-02-06 No detailed description available for Speaking and Semiology **A Classified Bibliography of the History of Dutch Medicine 1900-1974** G.A. Lindeboom,2012-12-06 I In some periods of the past Netherlands medicine has played a major role in the evolution of European medicine today its history still enjoys much in terest even at the other side of the Ocean In this bibliography it has been my endeavour to compile references for all that has been written on the history of Dutch medicine in our country and elsewhere in our age The main concern of this work is with the medicine of the Northern Nether lands However before the end of the sixteenth century the Northern and South ern Netherlands were not yet divided into two separate countries they were still politically one and for the greater part spoke the same Flemish language So be fore their separation the present day Belgium and Netherlands also had a com mon medical history Therefore many entries have been included which bear on early and sometimes later Flemish medicine but it has not been the inten tion to strive for completeness in this respect **Bibliography of the**

Indonesian Revolution H.A.J. Klooster,2024-12-09 Interest in the Indonesian Revolution a period of crucial importance in the history of modern Indonesia continues unabated as reflected in this bibliography The bibliography lists more than 6 000 titles related to the Indonesian Revolution 1945 1949 the West Irian issue 1950 1962 and the South Moluccan question 1950 1951 and its aftermath It is the first bibliography of such depth and scope and purports to offer a complete listing of scholarly works including unpublished theses as well as journalistic accounts pamphlets memoirs and fictional works Most of the

works listed are in Indonesian Dutch or English but relevant works in French German Russian Japanese and other languages have also been included An introduction allows a first acquaintance with the mass of publications listed The titles are arranged by period and subdivided by language Indexes of authors of subjects of persons and of geographical names make it possible to access the titles in more detail **2014** Günter Berghaus, 2014-05-21 The International Yearbook of Futurism Studies was founded in 2009 the centenary year of Italian Futurism in order to foster intellectual cooperation between Futurism scholars across countries and academic disciplines The Yearbook does not focus exclusively on Italian Futurism but on the relations between Italian Futurism and other Futurisms worldwide on artistic movements inspired by Futurism and on artists operating in the international sphere with close contacts to Italian or Russian Futurism Volume 4 2014 is an open issue that addresses reactions to Italian Futurism in 16 countries Argentina Armenia Brazil Egypt France Germany Great Britain Greece Holland Hungary Japan Portugal Russia Slovenia Spain USA and in the artistic media of photography theatre and visual poetry An Epic and Puranic Bibliography (up to 1985) Annotated and with Indexes Heinrich von Stietencron, Peter Flamm, 1992 *The Central Moluccas* Katrien Polman, 1983
