Digital Methodologies Sociology Religion Cheruvallil Contractor:

Digital Methodologies in the Sociology of Religion Sariya Cheruvallil-Contractor, Suha Shakkour, 2015-12-17 This volume considers the implementation difficulties of researching religion online and reflects on the ethical dilemmas faced by sociologists of religion when using digital research methods Bringing together established and emerging scholars global case studies draw on the use of social media as a method for researching religious oppression religion and identity in virtual worlds digital communication within religious organisations and young people's diverse expressions of faith online Additionally boxed tips are provided throughout the text to serve as reminders of tools that readers may use in their own research projects

Digital Hinduism Murali Balaji, 2017-11-01 This edited volume seeks to build a scholarly discourse about how Hinduism is being defined reformed and rearticulated in the digital era and how these changes are impacting the way Hindus view their own religious identities It seeks to interrogate how digital Hinduism has been shaped in response to the dominant framing of the religion which has often relied on postcolonial narratives devoid of context and an overemphasis on the geopolitics of the Indian subcontinent post partition From this perspective this volume challenges previous frameworks of how Hinduism has been studied particularly in the West where Marxist and Orientalist approaches are often ill fitting paradigms to understanding Hinduism This volume engages with and critiques some of these approaches while also enriching existing models of research within media studies ethnography cultural studies and religion

The Digital Social Alpha Possamai-Inesedy, Alan Nixon, 2019-12-02 The edited volume aims to present a critical analysis of the current state of research on religion and belief systems in the realm of the Digital Social The rapid expansion and democratization of digital technologies in conjunction with the significant shifts taking place within the practices of religion and belief through digital technology demand a critical examination across the social sciences and humanities These changes call for an overview of not only our current methodological tool box but also the epistemological and ethical considerations that researchers must contend with The proposed volume provides a critical framework that recognizes that the social and therefore the religious cannot be fully understood without recognizing how the digital world actively constitutes notions such as identity social networks embodiment and social institutions While some specific methods will be discussed the volume's emphasis remains on the critical epistemological and logistical considerations that are needed when undertaking this form of research

Islamic Education in Britain Alison Scott-Baumann, Sariya Cheruvallil-Contractor, 2015-08-27 The Western world often fears many aspects of Islam without the knowledge to move forward On the other hand there are sustained and complex debates within Islam about how to live in the modern world with faith Alison Scott Baumann and Sariya Contractor Cheruvallil here propose solutions to both dilemmas with a particular emphasis on the role of women Challenging existing beliefs about Islam in Britain this book offers a paradigm shift based on research conducted over 15 years The educational needs within several groups of British Muslims were explored resulting in the need to offer critical analysis of the provision

for the study of classical Islamic Theology in Britain Islamic Education in Britain responds to the dissatisfaction among many young Muslim men and women with the theological secular split and their desire for courses that provide combinations of these two strands of their lived experience as Muslim British citizens Grounded in empirical research the authors reach beyond the meta narratives of secularization and orientalism to demonstrate the importance of the teaching and learning of classical Islamic studies for the promotion of reasoned dialogue interfaith and intercultural understanding in pluralist British society

The i-zation of Society, Religion, and Neoliberal Post-Secularism Adam Possamai, 2017-10-30 This book explores the elective affinity of religion and post secularism with neoliberalism With the help of digital capitalism neoliberalism dominates more and more all aspects of life and religion is not left unaffected While some faith groups are embracing this hegemony and others are simply following the signs of the times changes have been so significant that religion is no longer what it used to be Linking theories from Fredric Jameson and George Ritzer this book presents the argument that our present society is going through a process of i zation in which 1 capitalism dominates not only our outer social lives through for example global capitalism but also our inner personal lives through its expansion in the digital world facilitated by various i technology applications 2 the McDonaldization process has now been normalized and 3 religiosity has been standardized Reviewing the new inequalities present in this i society the book considers their impact on Jurgen Habermas s project of post secularism and appraises the roles that various religions may have in supporting and or countering this process It concludes by arguing that Habermas s post secular project will occur but that paradoxically the religious message s will be instrumentalized for capitalist purposes

People of the Screen John Dyer,2023 People of the Screen traces the history of Bible software development showing the unique and powerful role evangelical entrepreneurs and coders have played in shaping its functionality and how their choices in turn shape the reading habits of millions of people around the world Examining advancements in Bible software from the first desktop applications to pioneering Bible websites and later to mobile apps and virtual experiences this book argues that evangelical creators have a distinct orientation toward societal change and technology called Hopeful Entrepreneurial Pragmatism that uniquely positions them to lead the digital Bible market imbuing their creations with evangelical ways of understanding the nature and purpose of Scripture This book offers a blend of historical research interviews with developers and field work among digital and print Bible readers offering a nuanced look at the interconnected ecosystem of publishers developers pastors institutions and software companies Digital Bibles aren't replacing print Bibles author John Dyer shows Rather the future of Bible engagement involves readers using a mix of print audio and screens to suit their needs He shows that sometimes the God of the page seems to say different things than the God of the screen suggesting that we are still in the early stages of a multimedia approach to scripture

The Oxford Handbook of Caribbean Religions Michelle A. Gonzalez,Michelle Gonzalez Maldonado,2024 The Oxford Handbook of Caribbean Religions offers a comprehensive overview of Caribbean religions The Caribbean is a microcosm of the world's religions but the small geographic space resulted in the encounter of global religions and indigenous religious practices The

racial ethnic and cultural diversity of this region makes brief introductions to Caribbean religions incapable of truly addressing its complex and diverse religious landscape The Handbook also elaborates on the diversity of the religious traditions and the national particularity of the region while also considering multiple geographic settings It mentions how often Caribbean religion is studied through the perspective of a discrete religious tradition or geographic setting The Sacred & the Digital F.G. (Frank) Bosman, 2019-04-18 Video game studies are a relative young but flourishing academic discipline But within game studies however the perspective of religion and spirituality is rather neglected both by game scholars and religion scholars While religion can take different shapes in digital games ranging from material and referential to reflexive and ritual it is not necessarily true that game developers depict their in game religions in a positive confirming way but ever so often games approach the topic critically and disavowingly The religion criticisms found in video games can be categorized as follows religion as 1 fraud aimed to manipulate the uneducated as 2 blind obedience towards an invisible but ultimately non existing deity as 3 violence against those who do not share the same set of religious rules as 4 madness a deranged alternative for logical reasoning and as 5 suppression in the hands of the powerful elite to dominate and subdue the masses into submission and obedience The critical depictions of religion in video games by their developers is the focus of this special issue

Digital Methodologies Sociology Religion Cheruvallil Contractor Introduction

In the digital age, access to information has become easier than ever before. The ability to download Digital Methodologies Sociology Religion Cheruvallil Contractor has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Digital Methodologies Sociology Religion Cheruvallil Contractor has opened up a world of possibilities. Downloading Digital Methodologies Sociology Religion Cheruvallil Contractor provides numerous advantages

over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Digital Methodologies Sociology Religion Cheruvallil Contractor has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Digital Methodologies Sociology Religion Cheruvallil Contractor. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Digital Methodologies Sociology Religion Cheruvallil Contractor. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Digital Methodologies Sociology Religion Cheruvallil Contractor, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Digital Methodologies Sociology Religion Cheruvallil Contractor has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
