Case Studies in Coaching Ethics Anthony

Parish, Timothy Baghurst, 2023-09-15 Coaches are placed in a myriad of ethical decision making situations Making decisions such as playing time boosters parents social media power differentials scholarships and relationships are just a few examples of what a coach may need to navigate While many day to day situations are easily resolved some are not Therefore how and by what process should a coach make these decisions This book presents a variety of cases based on true stories that present some of the ethical decisions coaches must make across high school collegiate and professional sports Using a sequential system of less to more complicated 40 case studies are presented across the sports spectrum that coaches have experienced This is a key component of the book Although names and situations have been changed these cases have happened and provide real applicability to coaches In addition each case may contain multiple situations perhaps with no right answer that test a coach's value system and ability to prioritize actions Questions are provided at the end of each case that allow for reflection The primary audience for this book includes current coaches as well as students in coach education programs at both the undergraduate and graduate levels

Applied Positive Pedagogy in Sport Coaching Richard Light, Stephen Harvey, 2020-06-11 Positive Pedagogy is an athlete centred inquiry based approach that transforms the way we understand learning and coaching in sport and can be successfully employed across a range of different sports and levels of performance Applied Positive Pedagogy in Sports Coaching International Cases reflects the uptake of Positive Pedagogy by coaches across different countries and sport settings through its complete focus on their experiences of using it and adapting it to their needs and contexts Comprising 17 detailed chapters that examine both Team Sports Part 1 and Individual Sports Part 2 this book seeks to provide insight into the opportunities and challenges involved in the application of Positive Pedagogy for sport coaching PPed Critically it also identifies any problems the coaches encountered how they addressed them and what they learned from these experiences Acting as a complementary text to the successful Positive Pedagogy for Sport Coaching 2nd edition Applied Positive Pedagogy in Sports Coaching International Cases is an exciting applied text that will be vital reading for all practising sports coaches or physical education teachers looking to improve or even transform their professional practice as well as sports coaching students and researchers
