Allard's collaboration with Correctional Service Canada Commissioner Ole Ingstrup in the early 1980s in developing a new Mission Statement for the Service represents a second kairotic moment. Pierre and Judy Allard's establishment of Just Equipping in 2006 as a response to an international call to bring about reconciliation between offenders and victims in Rwanda and other countries in Africa represents a third quality moment of time. The book analyses these three historical occasions and weaves them together with nine other Canadian chaplains' stories of prison ministry.
