Evagrius Ponticus Julia Konstantinovsky, 2016-04-22 A revered instructor of the eremitic monks of Nitria Sketis and Kellia Evagrius Ponticus is a fascinating yet enigmatic figure in the history of fourth century mystical thought This historical and theological re evaluation of the teaching of Evagrius brings to bear evidence from the Greek and Syriac Evagriana Focusing on Evagrius concept of perfection as the acquisition of spiritual knowledge this book revisits current perceptions of Evagrius s thought and character by comparing and contrasting him with his contemporaries and predecessors both Christian and pagan Ideas of the three Cappadocians and the author of the Macarianas as well as Stoic Neo Platonic and earlier Christian writers such as Alcinoos Plotinus Clement and Origen are all explored Konstantinovsky draws attention to a lack of uniformity in the fourth century views on the origin of the soul the body soul relation and the eschatological destiny of humankind **Simplifying the Soul** Paula Huston, 2011-12-19 Award winning author and Benedictine oblate Paula Huston invites readers to de clutter their minds hearts relationships and souls in a book of daily Lenten practices woven from the gospels the Desert Fathers and the author s own wealth of spiritual experience What are you giving up for Lent this year It s the expected question amongst Christian friends each spring In Simplifying the Soul Lenten Practices to Renew Your Spirit Huston asks her readers a deeper alternative sort of question How will you rid your life of excess this Lent She encourages readers to see Lent as a time to seek out silence and free themselves of stuff and to acknowledge the connections between what they pray about and what they do With honesty vulnerability and grace Huston challenges readers to move outward and act showing them how everyday actions like cleaning out a junk drawer giving away something no longer used or spending fifteen minutes in silence can be surprisingly powerful ways of experiencing a more meaningful Lent and a simpler life

Whether cutting up a credit card visiting someone at the hospital or forgiving someone with whom they are angry readers experience under Huston's gentle and expert care how such practices lead to a more authentic Christian faith On Love Hugh Feiss, 2012 The version of the Rule of St Augustine used at the Abbey of St Victor began with the command to love God above all things and one's neighbor as oneself Not surprisingly then love was a pervasive theme in the writings produced there many of which are introduced and translated here 1 five lyrical essays by Hugh of St Victor d 1141 The Praise of Charity The Betrothal Gift of the Soul In Praise of the Spouse On the Substance of Love What Truly Should Be Loved 2 On the Four Degrees of Violent Love by Richard of St Victor d 1173 which traces the likenesses and differences between romantic love and the love of God 3 Achard of St Victor d 1170 Sermon⁵ and two of Adam of St Victor's sequences are examples of how these authors wove love into their writings 4 excerpts from the Microcosmus by Godfrey of St Victor d ca 1195 summarize the central place of love in his humanistic theological anthropology **The Oxford Handbook of Early Christian Studies** Susan Ashbrook Harvey, David G. Hunter, 2008-09-05 The Oxford Handbook of Early Christian Studies responds to and celebrates the explosion of research in this interdisciplinary field over recent decades As a one volume reference work it provides an introduction to the academic study of early Christianity c 100-600 AD and examines the vast geographical area impacted by the early church in western and eastern late antiquity It is thematically arranged to encompass history literature thought practices and material culture It contains authoritative and up to date surveys of current thinking and research in the various sub-specialties of early Christian studies written by leading figures in the discipline The essays orientate readers to a given topic as well as to the trajectory of research developments over the past 30-50 years within the scholarship itself Guidance for future research is also given Each essay points the reader towards relevant forms of extant evidence texts documents or examples of material culture as well as to the appropriate research tools available for the area This volume will be useful to advanced undergraduate and post graduate students as well as to specialists in any area who wish to consult a brief review of the state of the question in a particular area or sub-specialty of early Christian studies especially one different from their own Patristic Theories of Biblical Interpretation Tarmo Toom, 2016-06-16 This volume offers a thorough analysis of Latin patristic hermeneutics covering early church authors who explicitly discussed the subject **Regulating Sex in the Roman Empire** David Wheeler-Reed, 2017-11-28 A New Testament scholar challenges the belief that American family values are based on Judeo-Christian norms by drawing unexpected comparisons between ancient Christian theories and modern discourses Challenging the long held assumption that American values be they Christian or secular are based on Judeo-Christian norms this provocative study compares ancient Christian discourses on marriage and sexuality with contemporary ones maintaining that modern family values owe more to Roman Imperial beliefs than to the bible Engaging with Foucault's ideas Wheeler-Reed examines how conservative organizations and the Supreme Court have misunderstood Christian beliefs on marriage and the family Taking on modern cultural debates on marriage and sexuality with implications

for historians political thinkers and jurists this book undermines the conservative ideology of the family starting from the position that early Christianity in its emphasis on celibacy and denunciation of marriage was in opposition to procreation the ideological norm in the Greco Roman world **Western Plainchant in the First Millennium** James Haar,Timothy Striplin,2017-07-05 Taking up questions and issues in early chant studies this volume of essays addresses some of the topics raised in James McKinnon s The Advent Project The Later Seventh Century Creation of the Roman Mass the last book before his untimely death in February 1999 A distinguished group of chant scholars examine the formation of the liturgy issues of theory and notation and Carolingian and post Carolingian chant Special studies include the origins of musical notations nuances of early chant performance with accompanying downloadable resources musical style and liturgical structure in the early Divine Office and new sources for Old Roman chant Western Plainchant in the First Millenium offers new information and new insights about a period of crucial importance in the growth of the liturgy and music of the Western Church
