concluded that the real question was how so many of them did As he put it Tormented beaten starved where did they find the
strength spiritual and physical to resist In fact over 10 000 German Jews fought in the Allied armies of World War II This
book honors those European born combat veterans refugees from the Nazi regime in Germany and Austria who faced their
persecutors by joining the Allied forces in a fight against the country of their birth These twenty seven interviews take us into
the unique and harrowing experiences of brave men and one brave woman whose service restored a sense of dignity and
allowed them to rise above their former victimization All burned with anger at the Germans who'd subjected them often as
young children to cruelty in everyday life in their hometowns and to ridicule in the national media As soldiers who knew the
