English Mechanic and Mirror of Science ,1870 **Operation Crusader and the Desert War in British History and Memory** Alexander Joffe,2020-09-03 Shortlisted for the 2021 Society for Army Historical Research s Templer Medal
Operation Crusader launched in November 1941 was the third and final British attempt to relieve the siege of Tobruk and break the German and Italian forces in North Africa After tough initial fighting the British made important gains only to be countered by a stunning breakthrough overseen personally by Lt General Erwin Rommel As the British situation teetered the commander of the 8th Army Lt General Alan Cunningham was relieved of duty by his superior General Claude Auchinleck This decision changed the direction of the battle and perhaps the war itself Why and how Cunningham was relieved has been the subject of commentary and speculation since it occurred Using newly discovered evidence Alexander Joffe rethinks the events that brought about the sudden relief of the operation s commanding officer including insubordination The book then discusses how narratives regarding the operation were created were incorporated into British and Commonwealth official and unofficial historical writing about the war and contributed to British historical memory Based on a decade of archival work the book presents a new and detailed analysis of a consequential battle and importantly of how its history was written and received in the context of post war Britain **CD-ROM Today** ,1996-06 **The Multimedia and CD-ROM Directory** ,1998 **The Crusader** ,1927 **The Chautauquan** ,1887 **The Chautauquan** Theodore L. Flood, Frank Chapin Bray,1887 **The Journal of Education** ,1869 *Crusader for Sex Education* Doris H. Linder,1996 Elise Ottesen Jensen broke with her conservative family and became an influential social reformer in 1923 This book chronicles her leap to prominence Beginning as a family planning field worker in Sweden she quickly gained respect from the medical community for keeping abreast with sexological research and safe reliable contraceptive practice By the 1940s her grass roots organization helped to introduce sex education instruction in the public schools and fought for liberal abortion and homosexuality legislation After World War II Ottesen Jensen promoted the spread of family planning internationally most notably by working with Margaret Sanger Lady Rama Rau and others to found and build the International Planned Parenthood Federation The importance of bringing truthful sex education messages to youth was her most persistent theme
