

Dear New Employee:

Congratulations on your appointment as an employee of Northland Community and Technical College. Attached are several forms that need to be completed for placement on payroll for your appointment. All of the forms need to be completed and returned to Michelle Benitt as soon as possible, so as not to delay processing of your payroll.

Effective July 1, 2003, the State of Minnesota Department of Finance mandates direct deposit for all employees per M.S. 16A.17, Subd 10.

In accordance with Title 8, United States Code, Section 1324A, Northland is required to certify that an employee is eligible to work in the United States. The top portion of the Employment Eligibility Verification form must be completed by the employee. **The employer must then examine one item from List A or one item from both List B and C.** Please complete the top portion of the form and bring the required original documents to the Human Resources office on the East Grand Forks campus, or to Michelle Benitt on the Thief River Falls campus.

Northland is accredited by the Higher Learning Commission, a member of the North Central Association (NCA), an accrediting body that accredits colleges and universities. NCA requires that Northland maintains official transcripts for faculty of all undergraduate and graduate level degrees and certificates to provide assurance to the public that the college employs faculty who are qualified in their field. If you are teaching, either full-time or part-time, you are required to supply official transcripts to the college. Please make this request to the appropriate colleges and/or universities as soon as possible so as not to delay processing of your payroll.

If you are a new employee and your employment status qualifies you for an employer contribution toward insurance benefits, you will receive an enrollment packet from Minnesota Management and Budget (MMB) in the mail. Please contact me at 218-683-8631 or krist.lane@northlandcollege.edu if you have questions related to insurance or retirement benefits. Also, feel free to contact me if you have any questions once you receive your packet of information.

Minnesota Law requires we notify new employees how to call for emergency assistance from a multi-line phone system. You may reach emergency assistance by dialing 9-911, from either campus location. Also MnSCU has developed a new employee orientation video, please take a few minutes to view this video at <http://www.hr.mnscu.edu/stream/video/orientation/educate.html>.

Please do not hesitate to contact me at 218-683-8631 or 1-800-999-6282 extension 8631 or email krist.lane@northlandcollege.edu if you have any questions on the completion of the attached forms.

Welcome to Northland!

Sincerely,

Krist Lane
Assistant Director of Human Resources

Congratulations On Appointment Introduction

In today's digital age, the availability of Congratulations On Appointment books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Congratulations On Appointment books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Congratulations On Appointment books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Congratulations On Appointment versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Congratulations On Appointment books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Congratulations On Appointment books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Congratulations On Appointment books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them

invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Congratulations On Appointment books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Congratulations On Appointment books and manuals for download and embark on your journey of knowledge?
