Che Guevara Reader Writings On Politics And Revolution:

The Che Guevara Reader David Deutschmann, Maria del Carmen Ariet Garcia, 2022-06-28 Selected writings speeches essays and letters by one of the most widely known guerilla fighters political theorists and organizers Che Guevara Widely revered as a true revolutionary this collection of writings from Ernesto Che Guevara highlight his principled politics and praxis in the fight against capitalism and US imperialism Incisive speeches critical essays and personal letters not only serve as a primer of the Cuban revolutionary movement but also analyze the importance of practicing international solidarity reflect on violent resistance and explicate the dangerous failures of capitalism Accompanied by an extensive bibliography of Guevara s writing a timeline of his life and an all encompassing glossary of individuals organizations and publications the Che Guevara Reader provides insights into the historical political and cultural context for Guevara s radicalization From some of his most famous speeches such as Create Two Three Many Vietnams to intimate personal letters addressed to comrades around the world and his own children this book extends Che s legacy and paints a stunning picture of a revolutionary struggling for a better world **Che Guevara** Che Guevara, 2003 **Che Guevara Reader** Che Guevara, 1997 The most comprehensive selection of Guevara s writings available in English **Chávez, Venezuela and the New Latin America** Hugo Chávez Frías, Aleida Guevara March, 2005 This book documents an encounter between Venezuelan President Hugo Chavez and Aleida Guevara daughter of the legendary revolutionary Che Guevara and a prominent figure in the antiglobalization movement Over the course of an extended exclusive interview Chavez explained his fiercely nationalist vision for Venezuela the worldwide significance of the Bolivarian revolution and his commitment to a united Latin America Their conversation which was at times remarkably intimate also covered Chavez s personal political formation and the legacy of Che s ideas and example in Latin America today Included as an appendix is an exclusive interview with Jorge Garcia Carneiro Venezuela s minister for defense who played a key role in defeating the April 2002 coup Today he is in the forefront of the project to transform Venezuela s army into an army of the people **BOOK JACKET**

Globalizing Political Theory Smita A. Rahman, Katherine A. Gordy, Shirin S. Deylami, 2022-12-02 Globalizing Political Theory is guided by the need to understand political theory as deeply embedded in local networks of power identity and structure and to examine how these networks converge and diverge with the global With the help of this book students of political theory no longer need to learn about ideas in a vacuum with little or no attention paid to how such ideas are responses to varying local political problems in different places times and contexts Key features include Central Conceptual Framework Introducing readers to what it means to globalize political theory and to move beyond the traditional western canon and actively engage with a multiplicity of perspectives Organization Focused on key topics essential for an introductory class aimed at both globalizing political theory and showing how political theory itself is a globalizing activity Themes Colonialism and Empire Gender and Sexuality Religion and Secularism Marxism Socialism and Globalization

Democracy and Protest and Race Ethnicity and Indigeneity Pedagogy Each chapter features theoretical concepts and definitions political and historical context key authors and biographical context textual evidence and exegesis from the foundational texts in that thematic area a list of discussion questions and a list of resources for further reading Committed to a multiplicity of perspectives and an active engagement between the global and the local Globalizing Political Theory connects directly with undergraduate and graduate level courses in political theory global political theory and non western political thought

Political Uses of Utopia S. D. Chrostowska, James D. Ingram, 2017-03-21 Utopia has long been banished from political theory framed as an impossible and possibly dangerous political ideal a flawed social blueprint or a thought experiment without any practical import Even the realistic utopias of liberal theory strike many as wishful thinking Can politics think utopia otherwise Can utopian thinking contribute to the renewal of politics In *Political Uses of Utopia* an international cast of leading and emerging theorists agree that the uses of utopia for politics are multiple and nuanced and lie somewhere between or better yet beyond the mainstream caution against it and the conviction that another better world ought to be possible Representing a range of perspectives on the grand tradition of Western utopianism which extends back half a millennium and perhaps as far as Plato these essays are united in their interest in the relevance of utopianism to specific historical and contemporary political contexts Featuring contributions from Miguel Abensour, Étienne Balibar, Raymond Geuss and Jacques Rancière among others *Political Uses of Utopia* reopens the question of whether and how utopianism can inform political thinking and action today

Salvador Allende Reader Salvador Allende Gossens, Jane Carolina Canning, 2000 On September 11 1973 General Augusto Pinochet led a bloody coup against President Salvador Allende in Chile Allende died in the Presidential Palace as it was attacked by Pinochet's army Controversy still surrounds the role of Washington and the CIA in the overthrow of the popularly elected government of Allende a self-proclaimed Marxist For decades Allende's name and the experience of the Popular Unity government was all but erased from history not only in Chile but internationally This first ever anthology presents Allende's voice and his vision of a more democratic peaceful and just world to a new generation I don't see why we need to stand by and watch a country go communist because of the irresponsibility of its own people Henry Kissinger on the prospect of Allende's electoral victory in 1970 This anthology is the first collection in English of Allende's speeches and interviews and will be of value for academic collections on Latin America

Library Journal Features a substantial biographical introduction on Allende and an extensive chronology and bibliography

The Tricontinental Revolution R. Joseph Parrott, Mark Atwood Lawrence, 2022-01-20 The *Tricontinental Revolution* provides a major reassessment of the global rise and impact of Tricontinentalism the militant strand of Third World solidarity that defined the 1960s and 1970s as decades of rebellion Cold War interventions highlighted the limits of decolonization prompting a generation of global South radicals to adopt expansive visions of self-determination Long associated with Cuba this anti-imperial worldview stretched far beyond the Caribbean to unite international revolutions

around programs of socialism armed revolt economic sovereignty and confrontational diplomacy Linking independent nations with non state movements from North Vietnam through South Africa to New York City Tricontinentalism encouraged marginalized groups to mount radical challenges to the United States and the inequitable Euro centric international system Through eleven expert essays this volume recenters global political debates on the priorities and ideologies of the Global South providing a new framework chronology and tentative vocabulary for understanding the evolution of anti imperial and decolonial politics This title is also available as Open Access on Cambridge Core

Cuba: A History Sergio Guerra-Vilaboy, Oscar Loyola-Vega, 2015-05-10 Competitively priced this book is the perfect companion to the more than thirty travel guides on Cuba available today Beginning with the pre Hispanic period moving on to Cuba's struggle to maintain the revolution in the years following the collapse of the Soviet Union and finally ending with Fidel Castro's decision to step down in 2008 this slim volume provides the reader with an overview of the history of the tiny Caribbean island that so often has been at the center of world politics Including a bibliography for further reading this is a most useful introduction to Cuba's history for students teachers and others as well as those visiting the island This book is published to coincide with the expected lifting of the US government's ban on its citizens travel to Cuba and will be actively marketed through travel agencies in flight magazines and more Available in both English 978 0 9804292 4 4 and Spanish 978 1 921438 60 8 Sergio Guerra Vilaboy a professor at the University of Havana obtained a doctorate in history at the University of Leipzig He is the author of numerous books on Latin American history and is currently the executive secretary of the Association of Latin American and Caribbean Historians Oscar Loyola Vega is a professor of history at the University of Havana
