Canter Brown

Cheap Sleeps In Italy 99 Ed:

Bookseller ,1998 **Henry Bradley Plant** Canter Brown,2019-11-26 The first biography of Henry Bradley Plant the entrepreneur and business magnate considered the father of modern Florida In this landmark biography Canter Brown Jr makes evident the extent of Henry Bradley Plant s influences throughout North Central and South America as well as his role in the emergence of integrated transportation and a national tourism system One of the preeminent historians of Florida Brown brings this important but understudied figure in American history to the foreground Henry Bradley Plant Gilded Age Dreams for Florida and a New South carefully examines the complicated years of adventure and activity that marked Plant s existence from his birth in Connecticut in 1819 to his somewhat mysterious death in New York City in 1899 Brown illuminates Plant s vision and perspectives for the state of Florida and the country as a whole and traces many of his influences back to events from his childhood and early adulthood The book also elaborates on Plant s controversial Civil War relationships and his utilization of wartime earnings in the postwar era to invest in the bankrupt Southern rail lines With the success of his businesses such as the Southern Express Company and the Tampa Bay Hotel Plant transformed Florida into a hub for trade and tourism traits we still recognize in the Florida of today This thoroughly researched biography fills important gaps in Florida s social and economic history and sheds light on a historical figure to an extent never previously undertaken or sufficiently appreciated Both informative and innovative Brown s volume will be a valuable resource for scholars and general readers interested in Southern history business history Civil War era history and transportation history

A History of Painting in North Italy, Venice, Padua, Vicenza, Verona, Ferrara, Milan, Friuli, Brescia from the Fourteenth to the Sixteenth Century Joseph Archer Crowe,Giovanni Battista Cavalcaselle,1912 *The Sacred Home in Renaissance Italy* Abigail Brundin,Deborah Howard,Mary Laven,2018-07-12 The Sacred Home in Renaissance Italy explores the rich devotional life of the Italian household between 1450 and 1600 Rejecting the enduring stereotype of the Renaissance as a secular age this interdisciplinary study reveals the home to have been an important site of spiritual revitalization Books buildings objects spaces images and archival sources are scrutinized to cast new light on the many ways in which religion infused daily life within the household Acts of devotion from routine prayers to extraordinary religious experiences such as miracles and visions frequently took place at home amid the joys and trials of domestic life from childbirth and marriage to sickness and death Breaking free from the usual focus on Venice Florence and Rome The Sacred Home investigates practices of piety across the Italian peninsula with particular attention paid to the city of Naples the Marche and the Venetian mainland It also looks beyond the elite to consider artisanal and lower status households and reveals gender and age as factors that powerfully conditioned religious experience Recovering a host of lost voices and compelling narratives at the intersection between the divine and the everyday The Sacred Home offers unprecedented glimpses through the keyhole into the spiritual lives of Renaissance Italians *Constructions of Childhood in Ancient Greece and Italy* Ada Cohen,Jeremy B.

Rutter,2007 These 20 papers explore ancient notions and experiences of childhood around the Mediterranean from prehistory to late antiquity They are grouped into sections on Families Socialization and Enculturation Rituals and Life Transitions Gender and Representation Burial Commemoration and Childhood and the Classical Tradition The contributors come from a range of different disciplines including art history archaeology classical philology and physical anthropology

Italy in the German Literary Imagination Gretchen L. Hachmeister,2002 The German fascination with Italy as seen in Goethe s Italian Journey and in a number of literary reactions to it Italy has long exerted a particular fascination on the Germans and this has been reflected in German literature most prominently in Goethe s Italienische Reise but also by numerous other writers who have returned to the topic This book is concerned with two inextricably linked images those of the German traveler in Italy and of Italy in German literature in the first third of the 19th century Goethe s publication of his account nearly three decades after his actual journey was in some measure a vehicle to resist the challenge of a new generation of writers who in turn would confront what they found to be a questionable if not altogether false representation Hachmeister emphasizes the consequences of the disparity between the reality of Goethe s journey and his depiction of it taking into consideration also his occasional discomfort with Italy s classical past She shows how the German predilection for Italy is unique in the larger European cultural context of the Grand Tour before moving on to chapters that contain readings of Italienische Reise and Goethe s R mische Elegien Individual chapters follow on Eichendorff s Aus dem Leben eines Taugenichts Platen s Sonette aus Venedig and Heine s three Italian Reisebilder each of which is to some degree a reaction to Goethe s work These chapters investigatehow the individual s reaction to Italy reflects his view of Germany and the author s role in early 19th century German society The conclusion offers a short glance at the continued evolution of the German fascination with Italyin the mid and late nineteenth century Gretchen Hachmeister received her Ph D in German literature from Yale University **The American Catalogue** ,1905 American national trade bibliography Sleep Apnoea and Related Conditions ,1993 Italy Eugene Fodor,1968 **Napoli/New York/Hollywood** Giuliana Muscio,2018-10-30 Napoli New York Hollywood is an absorbing investigation of the significant impact that Italian immigrant actors musicians and directors and the southern Italian stage traditions they embodied have had on the history of Hollywood cinema and American media from 1895 to the present day In a unique exploration of the transnational communication between American and Italian film industries media or performing arts as practiced in Naples New York San Francisco and Los Angeles this groundbreaking book looks at the historical context and institutional film history from the illuminating perspective of the performers themselves the workers who lend their bodies and their performance culture to screen representations In doing so the author brings to light the cultural work of families and generations of artists that have contributed not only to American film culture but also to the cultural construction and evolution of Italian ness over the past century Napoli New York Hollywood offers a major contribution to our understanding of the role of southern Italian culture in American cinema

from the silent era to contemporary film Using a provocative interdisciplinary approach the author associates southern Italian culture with modernity and the immigrants preservation of cultural traditions with innovations in the mode of production and in the use of media technologies theatrical venues music records radio ethnic films Each chapter synthesizes a wealth of previously under studied material and displays the author s exceptional ability to cover transnational cinematic issues within an historical context For example her analysis of the period from the end of World War I until the beginning of sound in film production in the end of the 1920s delivers a meaningful revision of the relationship between Fascism and American cinema and Italian emigration Napoli New York Hollywood examines the careers of those Italian performers who were Italian not only because of their origins but because their theatrical culture was Italian a culture that embraced high and low tragedy and comedy music dance and even acrobatics naturalism and improvisation Their previously unexplored story that of the Italian diaspora s influence on American cinema is here meticulously reconstructed through rich primary sources deep archival research extensive film analysis and an enlightening series of interviews with heirs to these traditions including Francis Coppola and his sister Talia Shire John Turturro Nancy Savoca James Gandolfini David Chase Joe Dante and Annabella Sciorra
