Dear Cheerleaders and Families:

It is with my greatest pleasure that I officially welcome you to the Spring 2012 Season! The content included in the welcome letter will help to equip PREMIER families with the important information to get the season started. Please read carefully through the following information as it contains important dates, locations, practice and game time information, what to expect this season from your coach and the program as well as what the expectations are of your cheerleader and the cheer families! If at any time you have any questions please do not hesitate to contact the MYFF Office. Anyone in the office will be able to assist you but I am always available to speak with cheer families!

Letters to America Tom Blair,2015-11-10 Letters to America was written to energize Americans at a time of economic stress and self doubt By reading of the sacrifices the previous American generations that often endured everyday hardships beyond the comprehension of those of us with running water challenges confronting individual modern Americans pale in comparison Starvation and hardship was a given for the early settlers and yet somehow they persevered and through the fruits of their labors and the tenacity of subsequent immigrants and their descendants the United States of America grew and flourished Do we have the work ethic and perseverance today of our forefathers Do modern Americans even know what true suffering is Tom Blair believes that Americans can come together to solve this country s problems but they will need to be able to sacrifice and work like those who have come before us A blending of Forrest Gump Roots and a Profiles in Courage populated by characters from the country s past Letters to America is a compilation of twelve letters each a chapter told in first person by fictional Americans about their everyday lives The voices are entirely distinct men women and children white black Native American Jewish spanning four centuries from early American settlers in Jamestown in the 1620s to modern day corporate lunches in mid town Manhattan Yet the stories are loosely linked by subtle resonances and the letters have a cumulative effect that is both humbling and deeply affecting filled with hope for a future that can be as inspirational as our past
