Chaucer And The Universe Of Learning

Edward Foster

Chaucer And The Universe Of Learning:

Chaucer and the Universe of Learning Ann W. Astell, 1996 Astell examines the conventions of medieval learning familiar to Chaucer and discovers in two related topical outlines those of the seven planets and of the divisions of philosophy an important key

Chaucer and Clothing Laura Fulkerson Hodges, 2005 A detailed discussion of the meaning and significance of the terms used to describe the clothing of Chaucer's religious and academic pilgrims Religious and academic dress in the middle ages functioned as a metaphorical signifier of spiritual and intellectual standards implied a given social status signalled the rejection or possession of garment wealth and in the details suggested the wearer's spiritual state This book presents the first sustained analysis of the characterizing dress worn by Chaucer's pilgrims who are in holy orders and or affiliated with universities the author uses approaches from a variety of disciplines received criticism of late medieval literature developments in political economic and social history the visual arts and material culture in order to present the complex ideas and rhetoric the pilgrims dress expresses She also makes the religious intellectual and material culture of Chaucer's day accessible to modern audiences through the reconstruction of the significance of fabrics dyes accessories garments and assembled costumes and an explanation of technical details and specialist vocabularies for cloth making clothing accessories and their images in the visual arts

The Yale Companion to Chaucer Seth Lerer, 2006-01-01 A collection of essays on Chaucer's poetry this guide provides up to date information on the history and textual contexts of Chaucer's work on the ranges of critical interpretation and on the poet's place in English and European literary history

The Cambridge Companion to Chaucer Piero Boitani, Jill Mann, 2003 The Cambridge Companion to Chaucer is an extensively revised version of the first edition which has become a classic in the field This new volume responds to the success of the first edition and to recent debates in Chaucer Studies Important material has been updated and new contributions have been commissioned to take into account recent trends in literary theory as well as in studies of Chaucer's works New chapters cover the literary inheritance traceable in his works to French and Italian sources his style as well as new approaches to his work Other topics covered include the social and literary scene in England in Chaucer's time and comedy pathos and romance in the Canterbury Tales The volume now offers a useful chronology and the bibliography has been entirely updated to provide an indispensable guide for today's student of Chaucer

Chaucer the Alchemist Alexander N. Gabrovsky, 2016-04-08 The secrets of nature's alchemy captivated both the scientific and literary imagination of the Middle Ages This book explores Chaucer's fascination with earth's mutability Gabrovsky reveals that his poetry represents a major contribution to a medieval worldview centered on the philosophy of physics astronomy alchemy and logic

Martianus Capella in the Late Middle Ages and Renaissance Katie Reid, 2023-10-09 In this book Katie Reid argues that the fifth century author Martianus Capella was a significant influence in the late Middle Ages and Renaissance His poetic encyclopaedia *The Marriage of Philology and Mercury* was a source for writing on the liberal arts allegory and

classical mythology from 1300 to 1650 In fact writers of this period had much more in common with Martianus Capella than they did with older ancients like Homer and Virgil As such we must reshape our understanding of late medieval and Renaissance encounters with the classical world by exploring their roots in Late Antiquity *Chaucer and Language* Robert Myles, David A. Williams, 2001-11-13 Every poet arrives at some sense of how language works Chaucer's engagement like that of the greatest literary figures goes beyond the brilliant skilful use of language as a tool of expression beyond what we usually call talent He brings to the creative use of signification a sophisticated philosophical questioning of the very nature of language of how we know and how we signify Chaucer and Language argues that Chaucer's work points to answers to these questions emphasizing that in various ways Chaucer made language itself the subject of his writing The polyvalent nature of signs and the ambiguity this makes possible are discussed as one aspect of Chaucer's use of language as subject as is irony Chaucer's extension of the concept of language to include relics and the Eucharist his exploitation of equivocation and the lie and the semiotic dimensions of his poetic themes are also treated These issues derive directly from the long tradition of mediaeval sign theory and anticipate the major issues of the modern theory of signs that is semantics **Approaches to Teaching Chaucer's Canterbury Tales** Peter W. Travis, Frank Grady, 2014-01-01 Chaucer's Canterbury Tales was the subject of the first volume in the Approaches to Teaching series published in 1980 But in the past thirty years Chaucer scholarship has evolved dramatically teaching styles have changed and new technologies have created extraordinary opportunities for studying Chaucer This second edition of Approaches to Teaching Chaucer's Canterbury Tales reflects the wide variety of contexts in which students encounter the poem and the diversity of perspectives and methods instructors bring to it Perennial topics such as class medieval marriage genre and tale order rub shoulders with considerations of violence postcoloniality masculinities race and food in the tales The first section Materials reviews available editions scholarship and audiovisual and electronic resources for studying The Canterbury Tales In the second section Approaches thirty six essays discuss strategies for teaching Chaucer's language for introducing theory in the classroom for focusing on individual tales and for using digital resources in the classroom The multiplicity of approaches reflects the richness of Chaucer's work and the continuing excitement of each new generation's encounter with it **The Riverside Chaucer** Geoffrey Chaucer, Larry Dean Benson, 2008 The third edition of the definitive collection of Chaucer's Complete Works reissued with a new foreword by Christopher Cannon Since F N Robinson's second edition of the The Works of Geoffrey Chaucer was published in 1957 there has been a dramatic increase in Chaucer scholarship This has not only enriched our understanding of Chaucer's art but has also enabled scholars working for the first time with all the source material to recreate Chaucer's authentic texts For the third edition an international team of experts completely re edited all the works added glosses to appear on the page with the text and greatly expanded the introductory material explanatory notes textual notes bibliography and glossary In short the Riverside Chaucer is the fruit of many years study the most authentic and

exciting edition available of Chaucer's Complete Works **Chaucer's Church** Edward Foster, 2020-08-26 This title was first published in 2002 The purpose of Chaucer's Church is to provide clear concise and reliable explanations of every term Chaucer uses that has a religious liturgical or ecclesiastical meaning It uses a dictionary format arranged according to Chaucer's spellings to make information readily accessible for students teachers critics and the general reader The shorter entries present brief definitions which are more lively and illuminating than those in standard dictionaries or glossaries the longer entries are in fact short essays with suggestions for further reading on broader or more complex topics In all cases the entries concentrate on lucid and accurate presentation of the meanings that the terms had or could have had for Chaucer and a 14th century audience The book is a compact but precise reference for readers of all levels of experience on the vocabulary of fourteenth century religion which is often unfamiliar or only hazily understood A careful system of cross references guides the reader to related terms so that individual entries can be further explored in related or larger contexts The book may also be browsed or read on its own for the entries taken together especially the brief essays provide a coherent introduction to the Christian world of the late fourteenth century In Chaucer's Church the editors have succeeded in compiling a volume that combines ease of use with readability and rigorous accuracy This book provides convenient and trustworthy access to Chaucer's religious world

This Enthralling Realm of Kindle Books: A Thorough Guide Unveiling the Benefits of Kindle Books: A World of Ease and Flexibility E-book books, with their inherent mobility and simplicity of access, have freed readers from the limitations of hardcopy books.
