Dear [Mr./Ms./Mx.] [Hiring Manager's Last Name],

I was delighted to see that CareMark Connecticut is hiring a Case Manager on Glassdoor.com. With 10+ years of healthcare experience, I have the interpersonal skills, confidence, and professional integrity necessary to ensure patients have access to essential care and services.

You mention that you are looking for a candidate with strong communication and organizational skills to ensure patients are connected to key partners and staff. As an RN case manager at Milwaukee VA Medical Center, I was responsible for 60+ patients annually. I proactively collaborated with 20+ professionals and endeavored to remain up to date on legislation, industry best practices, and internal policies and procedures.

For the care, efficiency, and rigor with which I address the individual needs of my clients, I have been awarded two employee of the year awards while in case manager positions. My ability to develop meaningful relationships with both patients and healthcare workers will surely be an asset to your team, particularly given your focus on addressing fragmentation issues in the healthcare delivery system.

I look forward to discussing the position and my qualifications with you further. I am available at your convenience but will follow up with you next week to confirm your receipt of my application.

Thank you for your consideration.

Sincerely,

YOUR NAME
