Contemporary China Society And Social Change:

Contemporary China Tamara Jacka, Andrew B. Kipnis, Sally Sargeson, 2013-09-30 China's rapid economic growth, modernization and globalization have led to astounding social changes. Contemporary China provides a fascinating portrayal of society and social change in the contemporary People's Republic of China. This book introduces readers to key sociological perspectives, themes and debates about Chinese society. It explores topics such as family life, citizenship, gender, ethnicity, labour, religion, education, class and rural/urban inequalities. It considers China's imperial past, the social and institutional legacies of the Maoist era and the momentous forces shaping it in the present. It also emphasises diversity and multiplicity, encouraging readers to consider new perspectives and rethink Western stereotypes about China and its people. Real-life case studies illustrate the key features of social relations and change in China. Definitions of key terms, discussion questions and lists of further reading help consolidate learning. Including full-colour maps and photographs, this book offers remarkable insight into Chinese society and social change.

Social Change in Contemporary China Wenfang Tang, Burkart Holzner, 2010-11-23 Social Change in Contemporary China offers a wide-ranging examination of Chinese institutional change in areas of education, religion, health care, economics, labor, family and local communities in the post-Mao era. Based on the pioneering work of sociologist C. K. Yang (1911-1999) and his institutional diffusion theory, the essays analyze and develop the theory as it applies to both public and private institutions. The interrelationship of these institutions composes what Yang termed the Chinese system and affects nearly every aspect of life. Yang examined the influence of external factors on each institution, such as the influence of Westernization and Communism on family and the impact of industrialization on rural markets. He also analyzed the impact of public opinion and past culture on institutions, therein revealing the circular nature of diffusion. Perhaps most significant are Yang's insights on the role of religion in Chinese society. Despite the common perception that China had no religion, he uncovers the influence of classical Confucianism as the basis for many ethical value systems and follows its diffusion into state and kinship systems as well as Taoism and Buddhism. Writing in the early years of Communism, Yang had little hard data with which to test his theories. The contributors to this volume expand upon Yang's groundbreaking approach and apply the model of diffusion to a rapidly evolving contemporary China, providing a window into an increasingly modern Chinese society and its institutions.

Great Changes and Social Governance in Contemporary China Peilin Li, 2015-11-18 This book offers a comprehensive review of the far-reaching social changes that have taken place since the start of the Chinese economic reform and opening up of Chinese society over 30 years ago. As such, it examines various aspects of the social transformation of China, from urbanization, population aging and social governance to family structure, youth society and social mentality. It identifies major issues and challenges emerging during the process of the great social change and proposes solutions to aid in future strategic planning. The analysis is supported by a wealth of empirical data collected in the course of extended social survey research. The book also provides a systematic summary of the

most important research findings from the past few years helping readers to understand and interpret the ongoing and complex process of transformation in Chinese society *Social Transformation in Modern China* Xin Zhang,2000-09-25 In this book Xin Zhang sheds light on the sources of China's modernization Politics, Economy, and Society in Contemporary China Bill Brugger,Stephen Reglar,1994 This analytic overview of contemporary Chinese politics focuses on six major themes agriculture urban life and industry law and policing intellectuals women and the family and minority nationalities

Television and Dating in Contemporary China Chao Yang,2017-06-29 This book considers the changing nature of intimacy in contemporary China providing a unique case study of romantic subjectivities in young people in the world's fastest growing economy Since the implementation of reform in 1978 the economic and socio cultural environment of modern China has experienced a dramatic transformation under the influence of urbanization and globalization facilitating more individualized identity among Chinese youth This book bridges the gap between an emergent emphasis on individualisation and the country's traditional norms and values It focuses on young people's understandings of various forms of relationships such as cohabitation extramarital relationships and multiple relationships suggesting a challenge to traditional familial values and an increasingly diversified understanding of the concepts of love and romance By examining the formation of relationships among 21st century Chinese youth notably through the lens of popular Chinese TV dating programs this book considers how dating and relationships mirror China's changing societal structure and examines social and cultural transformations in Chinese society Christianity in Contemporary China Francis Khek Gee Lim,2013-05-07 Christianity is one of the fastest growing religions in China Despite its long history in China and its significant indigenization or intertwinement with Chinese society and culture Christianity continues to generate suspicion among political elites and intense debates among broader communities within China This unique book applies socio cultural methods in the study of contemporary Christianity Through a wide range of empirical analyses of the complex and highly diverse experience of Christianity in contemporary China it examines the fraught processes by which various forms and practices of Christianity interact with the Chinese social political and cultural spheres Contributions by top scholars in the field are structured in the following sections Enchantment Nation and History Civil Society and Negotiating Boundaries This book offers a major contribution to the field and provides a timely wide ranging assessment of Christianity in Contemporary China **Visual Culture in Contemporary China I** Zhou Xian,2023-07-21 As the first volume of a two volume set that examines the interaction between social transformation and visual culture in contemporary China this book explores the visual construction of popular culture avant garde art and grassroots media culture Drawing on an approach of Marxist historic materialism and academic resources of sociology communication and art this study of contemporary China's visual culture emphasizes two inter related aspects the visual construction of society and the social construction of the visual It seeks to unravel how visual culture is produced and constructed as well as how it reflects the profound social transformation and

reshapes people's understanding and experience of modernization In this volume the contributors revisit popular culture avant garde art and grassroots media culture in contemporary China analyzing the visual image and representation and visual culture's role in social construction In doing so the book also reveals the cultural tension of contemporary China in which the visual aspect figures prominently This book will serve as an essential read for scholars and students of China studies and cultural studies as well as all levels of readers interested in visual culture in contemporary China

Contemporary China Society And Social Change Introduction

In the digital age, access to information has become easier than ever before. The ability to download Contemporary China Society And Social Change has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Contemporary China Society And Social Change has opened up a world of possibilities. Downloading Contemporary China Society And Social Change provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Contemporary China Society And Social Change has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Contemporary China Society And Social Change. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Contemporary China Society And Social Change. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Contemporary China Society And Social Change, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Contemporary China Society And Social Change has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing

online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Contemporary China Society And Social Change Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
