Retail Marketing Gary Akehurst, Nicholas Alexander, 2013-05-13 First published in 2004 This collection explores the emerging and diverse world of retail marketing by tracing its development from the 1980s to the present day The market driven retail company shows concern for the customer throughout the organisation throughout all functions and departments Such a

company tries to understand how customers choose their purchases the criteria they use and attempts to ensure that it is more successful in meeting customer requirements than the competition Retail Marketing discusses what range of products and services should be offered where at what price and how these activities should be advertised promoted and developed

Going Broke Stuart Vyse, 2008-01-29 Over the last three decades debt bankruptcy and home foreclosures have risen to epidemic levels To make matters worse the personal savings rate is at its lowest point since the Great Depression Why in the richest nation on earth can't Americans hold on to our money Winner of the prestigious William James Book Award for Believing in Magic and an authority on irrational behavior Stuart Vyse offers a unique psychological perspective on the financial behavior of the many Americans today who find they cannot make ends meet illuminating the causes of our wildly self destructive spending habits But unlike other authors he doesn't entirely blame the victim Bringing together fascinating studies of consumer behavior he argues that the mountain of debt burying so many of us is the inevitable byproduct of America's turbo charged economy and in particular of social and technological trends that undermine our self control *Going Broke* illuminates everything from the rise of the credit card to the increase in state lotteries and casino gambling to the expansion of new shopping opportunities provided by toll free numbers home shopping networks big box stores and the Internet revealing how vast changes in American society over the last 30 years have greatly complicated our relationship with money Vyse concludes both with personal advice for the individual who wants to achieve greater financial stability and with pointed recommendations for economic and social change that will help promote the financial health of all Americans Engagingly written with startling insights into modern consumerism and with poignant human interest stories of people facing financial failure *Going Broke* offers a provocative new perspective on American economic behavior that is likely to stir controversy and serious debate

International Business Marios I. Katsioloudes, Spyros Hadjidakis, 2007 *International Business* covers international business issues from a multinational perspective Each chapter features the reverse perspective case that provides material for discussion and or case analysis from a global perspective not necessarily that of the US
