Day And Knight The Club Risque Chronicles Three:

Day and Knight Kay Marie,2015-04-16 For curvaceous beauty Day Jamison life couldn't get any worse she thought but she was so wrong Club Risque is where she met Knight who she shared an electrifying chemistry with that was undeniable On the night that he rescued her from her ruthless boss Tony Mendoza she thought that maybe she could let her guard down just once for him On that same night she vowed to never enter the confines of Club Risque ever again Yet escaping the infamous club for good is proving harder than she even realized On a chance meeting with one of her exotic dancer associates Diamond she was extended a lucrative offer as a high paid escort that would give her the financial backing to finally get a fresh start in life Day was hesitant but her dire circumstances prompted her to make the call to Diamond that changed the direction of her life as she knew it What happened that night has Day entangled in a deadly game that is showing her that she may not be able to trust anyone She now has to constantly look over her shoulders to protect herself from Tony who is hell bent on harming her and possibly an assassin who may view her as a major threat She began the quest to get to the bottom of the events that happened on that fateful night with Knight He promised to protect her but in a flash made the devastating decision to take her back to Club Risque Day is now questioning her decision to even trust him Will her connection to Club Risque and Knight finally prove not only to be detrimental but a fatal association Don't miss Book Three of the hottest erotic romance series of the year but be warned this installment of the series is sizzling hot suspenseful and very addictive so you will have to read the next A Chronicle of the Late Intestine War in the Three Kingdoms of England,
