Saint-Exupery**

Den Lille Prins:

The Little Prince Antoine de Saint-Exupéry, 2013 An aviator whose plane is forced down in the Sahara Desert encounters a little man from a small planet who describes his adventures in the universe seeking the secret of what is really important in life

The Little Prince Antoine de Saint-Exupéry, 2020-01-14 The Little Prince French Le Petit Prince is an allegorical fable and the most famous work of Antoine de Saint Exupéry It was first published in April 1943 by publisher Reynal a city he fled to after the occupation of his native France by Nazi Germany The literary roots of the fable are based on the wandering plot of the rejected prince while the emotional on a child's view of the world The story line is built around the travels of the Little Prince who hails from the tiny planet B 612 Gradually his journey becomes not just the literal movement from planet to planet but more of a way to discover life and the world Thanks to Saint Exupéry's artistic methods adult readers see in the fable a transcript of a conversation of two old friends while children get a vivid and easily understandable description of the world that surrounds them Due mostly to these two factors The Little Prince has achieved such high levels of recognition and popularity

The Little Prince Antoine Saint-Exupéry, 2017-08-31 The narrator an airplane pilot crashes in the Sahara desert The crash badly damages his airplane and leaves the narrator with very little food or water As he is worrying over his predicament he is approached by the little prince a very serious little blond boy who asks the narrator to draw him a sheep The narrator obliges and the two become friends The pilot learns that the little prince comes from a small planet that the little prince calls Asteroid 325 but that people on Earth call Asteroid B 612 The little prince took great care of this planet preventing any bad seeds from growing and making sure it was never overrun by baobab trees One day a mysterious rose sprouted on the planet and the little prince fell in love with it But when he caught the rose in a lie one day he decided that he could not trust her anymore He grew lonely and decided to leave Despite a last minute reconciliation with the rose the prince set out to explore other planets and cure his loneliness

Little Prince Antoine De Saint-Exupéry, 2017-02-23 Ages 7 to 10 years The topics of this series are very unconventional and range from biographies to classics scientific inventions World History and Geography as well The books are beautifully illustrated which add a special touch to it A must have for children who wish to improve their English

The Little Prince - Large Print Edition Antoine de Saint-Exupéry, 2017-12-02 The Little Prince is one of the most famous books ever written It is said to have been translated into 300 languages and dialects The original in French has also been reprinted by Ishi Press as Le Petit Prince grande Edition imprimée ISBN 4871879275 It was first published by Reynal Hitchcock New York 1943 Copies of the first edition are rare and will sell for more than one thousand dollars Here we have used for this reprint the original translation by Katherine Woods There are at least six other published English Language translations and so many translations in other languages that it is difficult to count them For example there are said to be 70 translations into Chinese The book was written in French The English translation was dictated by the publisher The Little Prince describes his travels to ten planets The other little planets

are asteroids that circle the Sun between Mars and Jupiter The asteroids have numbers rather than names The Little Prince lives on one of these asteroids and visits the others It appears to be similar to and a predecessor of the Star Trek TV series involving a space ship that goes from one planet to another finding different life forms and new adventures on each planet
