Dawn on Kukulkan Jock Whitehouse, 2011-08-01 In this exhilarating sequel to his acclaimed *Ledge of Quetzal* Whitehouse takes us to the sacred ballgame at Chichen Itza Kukulkan that will determine the fate of human life on earth In the tradition of Carlos Castaneda and Paulo Coelho Jock Whitehouse's *Dawn on Kukulkan* returns us to the magical landscape of Southern Mexico and the further spiritual adventures of Daniel Bancroft the protagonist hero of *The Ledge of Quetzal* After witnessing the Great Economic Meltdown of September 2008 and the shattering of a collective confidence in the future Daniel once again finds himself flying to Mexico on a sacred journey this time to the great playing field that lies at the entrance to Kukulkan the Mayan temple at Chichen Itza where a ballgame to determine the fate of life on earth is to be played out before sunrise on 12 21 2012 An intimate journey of personal transformation and spiritual awakening this book is also a wake up call in fable form we can reverse the destructive course of humanity but only if we are courageous enough to dismantle the illusion of our differences and embrace our connection as one human family **The Shadow of Kukulkan**

Eugene Sierras, 2011-12-22 **Kukulkan's Realm** Marilyn Masson, Carlos Peraza Lope, 2014-04-15 Kukulkan's Realm chronicles the fabric of socioeconomic relationships and religious practice that bound the Postclassic Maya city of Mayapán's urban residents together for nearly three centuries Presenting results of ten years of household archaeology at the city including field research and laboratory analysis the book discusses the social political economic and ideological makeup of this complex urban center Masson and Peraza Lope's detailed overview provides evidence of a vibrant market economy that played a critical role in the city's political and economic success They offer new perspectives from the homes of governing elites secondary administrators affluent artisans and poorer members of the service industries Household occupational specialists depended on regional trade for basic provisions that were essential to crafting industries sustenance and quality of life Settlement patterns reveal intricate relationships of households with neighbors garden plots cultivable fields thoroughfares and resources Urban planning endeavored to unite the cityscape and to integrate a pluralistic populace that derived from hometowns across the Yucatán peninsula New data from Mayapán the pinnacle of Postclassic Maya society contribute to a paradigm change regarding the evolution and organization of Maya society in general and make Kukulkan's Realm a must read for students and scholars of the ancient Maya and Mesoamerica **The Winged Serpent of the Dawn**

Pasquale De Marco, 2025-04-24 *The Winged Serpent of the Dawn* is a comprehensive exploration of the symbolism and significance of the serpent a creature that has captivated human imagination for millennia From its prominent role in ancient myths and legends to its association with the occult and the supernatural the serpent has been both revered and feared throughout history In this book we delve into the rich and multifaceted symbolism of the serpent examining its significance in various cultures religions and spiritual traditions The serpent is often seen as a symbol of duality representing both positive and negative aspects of life On the one hand it is associated with wisdom knowledge and transformation In many cultures the

serpent is seen as a bringer of knowledge often associated with healing and medicine On the other hand the serpent is also associated with temptation evil and darkness The serpent s association with transformation is particularly significant In many cultures the serpent is seen as a symbol of rebirth and renewal This is due to the serpent s ability to shed its skin leaving behind the old and emerging anew This process of shedding is often seen as a metaphor for spiritual transformation and the shedding of old habits and beliefs The serpent is also a powerful symbol in the occult and the supernatural In Western occultism the serpent is often associated with the kundalini energy a powerful force that is said to reside at the base of the spine When awakened the kundalini energy is believed to rise up through the chakras leading to spiritual enlightenment and transformation In Eastern occultism the serpent is often associated with the naga a race of serpent like beings who are said to possess great wisdom and power The naga are often depicted as guardians of sacred knowledge and protectors of the dharma This book explores the many facets of the serpent symbol providing a deeper understanding of its significance in human culture and spirituality Whether you are a scholar of mythology a practitioner of the occult or simply someone who is fascinated by the serpent this book offers a wealth of knowledge and insights If you like this book write a review on google books
