Early Media Exposure Rachel Barr,Tiffany Munzer,Mark Nielsen,2025-03-07 Given the foundational development that occurs during early childhood exposure to digital media has long been a topic of research interest and associated public concern Media use has become an integral part of family life and meets many family needs Research has struggled to keep pace with the changing use of technology and the impact that this has on early childhood development To meet this challenge we encourage submissions to this editorial initiative of particular relevance led by Prof Rachel Barr Dr Tiffany Munzer and Prof Mark Nielsen that are at the cutting edge of investigation into early media exposure The goal of this Research Topic is to shed light on the progress made during the past decade within the broad and multidisciplinary field of early media exposure and to draw attention to future challenges associated with this to provide a thorough overview of the status of the field This collection will inspire inform and provide direction and guidance

Multimodal Im/politeness Andreas H. Jucker,Iris Hübscher,Lucien Brown,2023-02-21 Politeness and impoliteness are not just expressed by words People communicate polite and impolite attitudes towards each other through their intonation tone of voice their facial expressions their gestures the positioning of their bodies towards each other and so on This volume brings together eleven empirical studies that investigate these various modalities of im politeness across signed spoken and written languages plus a detailed introductory chapter that establishes a framework for the multimodal investigation of im politeness The papers cover a range of languages and cultures including Swiss German Sign Language Catalan Sign Language English as a native language and as a lingua franca Korean Catalan Persian Japanese and Spanish Using a range of data sources and state of the art methodologies the papers reveal that these multimodal features are essential aspects of im politeness across different languages cultures and modes of interaction Put together the findings from these studies lay the groundwork for a new understanding of im politeness which is fundamentally multimodal
