Carthage Joyce Carol Oates:

Carthage Joyce Carol Oates, 2014-01-21 New York Times Bestselling Author A young girl's disappearance rocks a community and a family in this stirring examination of grief faith justice and the atrocities of war the latest from literary legend Joyce Carol Oates Zeno Mayfield's daughter has disappeared into the night gone missing in the wilds of the Adirondacks But when the community of Carthage joins a father's frantic search for the girl they discover instead the unlikeliest of suspects a decorated Iraq War veteran with close ties to the Mayfield family As grisly evidence mounts against the troubled war hero the family must wrestle with the possibility of having lost a daughter forever Carthage plunges us deep into the psyche of a wounded young Corporal haunted by unspeakable acts of wartime aggression while unraveling the story of a disaffected young girl whose exile from her family may have come long before her disappearance Dark and riveting Carthage is a powerful addition to the Joyce Carol Oates canon one that explores the human capacity for violence love and forgiveness and asks if it's ever truly possible to come home again

Carthage Joyce Carol Oates, 2016-10-03 Tout semble aller pour le mieux dans la petite ville de Carthage en ce début de juillet 2005 si ce n'est que Juliet Mayfield la ravissante fille de l'ancien maire a pour des raisons peu claires rompu ses fiançailles avec le caporal Brett Kincaid héros de retour de la guerre d'Irak Un héros trépané dans sa chair et dans sa tête dont pourtant Cressida la jeune sœur rebelle de Juliet est secrètement amoureuse Or ce soir-là Cressida disparaît ne laissant en fait de traces que quelques gouttes de son sang dans la jeep de Brett Qui devient alors le suspect numéro 1 et contre toute attente avoue le meurtre Sept ans après un étrange personnage surgit pour peut-être résoudre l'impossible mystère

The Lost Child in Literature and Culture Mark Froud, 2017-10-18 This book is an extensive study of the figure of the lost child in English speaking and European literature and culture It argues that the lost child figure is of profound importance for our society a symptom as well as a cause of deep trauma This trauma or void is a fundamental disruption of the structures that define us self history and even language This puts the figure of the child in context with previous research that the modern conception of a child was formed alongside modern conceptions of memory The book analyses the representation of the lost child through fairy tales historical oppression and in recent novels and films The book then studies the connection of the lost child figure with the uncanny and its centrality to language The book considers the lost child figure
