The Psychosis of Race Jack Black,2023-12-01 *The Psychosis of Race* offers a unique and detailed account of the psychoanalytic significance of race and the ongoing impact of racism in contemporary society Moving beyond the well trodden assertion that race is a social construction and working against demands that simply call for more representational equality *The Psychosis of Race* explores how the delusions anxieties and paranoia that frame our race relations can afford new insights into how we see think and understand race s pervasive appeal With examples drawn from politics and popular culture such as *Candyman* *Get Out* and the music of Kendrick Lamar critical attention is given to introducing as well as explicating on several key concepts from Lacanian psychoanalysis and the study of psychosis including foreclosure the phallus Name of the Father sinthome and the objet petit a By elaborating a cultural mode to psychosis and its understanding an original and critical exposition of the effects of racialization as well as our ability to discern the very limits of our capacity to think through or even beyond the idea of race is provided *The Psychosis of Race* speaks to an emerging area in the study of psychoanalysis and race and will appeal to scholars and academics across the fields of psychology sociology cultural studies media studies and the arts and humanities

Universal Politics Ilan Kapoor,Zahi Zalloua,2021 In *Universal Politics* Ilan Kapoor and Zahi Zalloua argue for a negative universality rooted in social antagonism i e shared experiences of exploitation and marginalization They examine what a universal politics might look like today in the context of key global sites of struggle including climate change workers struggles the Palestinian question the refugee crisis Black Lives Matter MeToo Political Islam the Bolivian state under Morales the European Union and COVID 19

The Colonizers' Idols Christina Harker,2018-02-02 In this work Christina Harker deconstructs the prevailing treatment of the New Testament as anti imperial by contextualizing both New Testament scholarship and the Galatian experience within imperialist discourses that survived the dissolution of conventional empires in the twentieth century She critiques simplistic treatments of empire as post imperial that is replicating patterns of imperialist ideology albeit unwittingly To solve the problem a new interpretation of Galatians is proposed that reworks and complicates the portrait of the Galatians themselves rather than Paul within what then emerges as a diverse social world peopled by complex individuals with heterogeneous social and cultural identities The author is thus able to show how New Testament scholars who rehabilitate the Bible and Paul as anti empire perpetuate the same imperialist modes of interpretation they seek to repudiate

Gender in Spanish Urban Spaces Maria C. DiFrancesco,Debra J. Ochoa,2018-01-03 This edited collection examines the synergistic relationship between gender and urban space in post millennium Spain Despite the social progress Spain has made extending equal rights to all citizens particularly in the wake of the Franco regime and radically liberating Transición the fact remains that not

all subjects particularly women immigrants and queers possess equal autonomy The book exposes visible shifts in power dynamics within the nation's largest urban capitals Madrid and Barcelona and takes a hard look at more peripheral bedroom communities as all of these spaces reflect the discontent of a post nationalistic economically unstable Spain As the contributors problematize notions of public and private space and disrupt gender binaries related with these they aspire to engender discussion around civic status the administration of space and the place of all citizens in a global world
