Carola Storms the Chalet School Elinor Mary Brent-Dyer, 2008-01-01 **The Feud in the Chalet School** Elinor M. Brent-Dyer, 2025-09-10 In the wake of a devastating fire St Hilda's school for girls is left without a home and the Chalet School offers sanctuary But the sudden merging of two distinct school cultures sparks friction particularly for ambitious mistress Miriam Ashley who struggles with the loss of autonomy and an uncertain future As students and staff alike confront upheaval alliances are tested and rivalries intensified especially among the girls navigating new friendships and loyalties Set against the vivid backdrop of the Swiss Alps *The Feud in the Chalet School* explores pride resilience and the quiet strength that builds unity from chaos *Carola Storms The Chalet School* Elinor Mary Brent-Dyer, 1977 **The Chalet School Books and the Twentieth Century** Miles Booy, 2025-06-17 The first full length study of this beloved children's series *The Chalet School in the Twentieth Century* moves beyond the largely generic analysis within which it has previously been discussed Published between 1925 and 1970 the series moves from European reconciliation after the Great War through a second global conflict to a post war world increasingly defined by increased secularity and emerging consumerism Reproducing cover illustrations Miles Booy's book examines both those issues which author Elinor M Brent Dyer consciously explored such as the exceptional *The Chalet School in Exile* which she sought to explain the Nazi occupation of Austria to her young readers and those aspects of the text which must be read symptomatically This is a book which will engage students with historical and cultural interests beyond children's literature With barely a midnight feast in sight but much anxiety about social change it's a familiar genre but not as you think you know it *Hurry up new girls class is about to begin* **A Future Chalet School Girl** Elinor M. Brent-Dyer, 2025-08-13 Sent to Geneva after a bout of illness and her guardians sudden relocation a spirited teenager must navigate the bittersweet end of her cherished school life in England As she adjusts to a foreign city and recovers from chickenpox her world opens up to unexpected friendships including a fateful encounter with a beloved author from her school library Set in the Chalet School universe *A Future Chalet School Girl* traces M lanie's reluctant goodbye to the familiar and tentative steps toward a new beginning where courage and kindness shape the future she's yet to imagine *Textual Transformations in Children's Literature* Benjamin Lefebvre, 2013-01-04 This book offers new critical approaches for the study of adaptations abridgments translations parodies and mash ups that occur internationally in contemporary children's culture It follows recent shifts in adaptation studies that call for a move beyond fidelity criticism a paradigm that measures the success of an adaptation by the level of fidelity to the original text toward a methodology that considers the adaptation to be always already in conversation with the adapted text This book visits children's literature and culture in order to consider the generic pedagogical and ideological underpinnings that drive both the process and the product Focusing on novels as well as folktales films graphic novels and anime the authors consider the challenges inherent in transforming the work of authors such as William Shakespeare Charles Perrault L M Montgomery

Laura Ingalls Wilder and A A Milne into new forms that are palatable for later audiences particularly when for perceived ideological or political reasons the textual transformation is not only unavoidable but entirely necessary Contributors consider the challenges inherent in transforming stories and characters from one type of text to another across genres languages and time offering a range of new models that will inform future scholarship British Children's Writers, 1914-1960 Donald R. Hettinga, Gary D. Schmidt, 1996 Essays on authors and poets in this volume represent some of the best known writers of children's literature in the twentieth century This period is marked by certain characteristics such as stories of groups of children bonded together the emergence of strong female protagonists the career books and a consciously subdued presence of pain and suffering Many of these works are valued for the window they provided upon a culture now gone The Whole Story John E. Simkin, 1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences *A World of Women* Rosemary Auchmuty, 1999 In this book Rosemary Auchmuty looks at school novels with popular female heroines such as the Abbey Girl books and the Chalet School series She questions their ability to portray strong independent women and asks why the female authors often resort to the conventions of society marrying the characters off into a life of domesticity **The Clique**, 1981
