Craig S. Keener

Craig Keener Miracles:

Miracles Today Craig S. Keener, 2021-10-19 Do miracles still happen today This book demonstrates that miraculous works of God which have been part of the experience of the church around the world since Christianity began continue into the present Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today including many accounts that offer evidence of verifiable miracles This book gives an accessible and concise overview of one of Keener's most significant research topics His earlier two volume work on miracles stands as the definitive word on the topic but its size and scope are daunting to many readers This new book summarizes Keener's basic argument but contains substantial new material including new accounts of the miraculous It is suitable as a textbook but also accessible to church leaders and laypeople **Miracles : 2 Volumes** Craig S.

Keener, 2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship's 2012 Award of Excellence 2011 Book of the Year Christianbook.com's Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume's argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume's argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports

Miracles Craig S. Keener, 2014-05-14 A respected New Testament scholar presents the most thorough current defense of the credibility of biblical miracles **Miracles** Craig S. Keener, 2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship's 2012 Award of Excellence 2011 Book of the Year Christianbook.com's Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume's argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume's argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports *Summary of Lee Strobel's The Case for Miracles* Everest Media, 2022-07-24T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I had

come to visit the anti church a shrine to the science and reason that many skeptics believe squeezes out the legitimacy of faith I was meeting my polar opposite a skeptic who had turned from faith to doubt 2 I wanted to interview Shermer because I wanted to hear his side of the story about miracles I wanted to understand why he was against them and I wanted to learn how to be open minded without my brain falling out 3 When high school senior Michael Shermer read John 3 16 For God so loved the world that he gave his one and only Son that whoever believes in him shall not perish but have eternal life and put his trust in Jesus as his Lord and Savior a coyote howled outside 4 I asked Shermer why he had lost his faith He said that it had happened gradually on his own which is how it usually happens He didn't think you could reason people out of something they didn't reason their way into in the first place

Impossible Love Craig Keener, Médine Moussounga
Keener, 2016-04-05 Gripping True Story of War and Romance Hope and Miracles When the odds are impossible love goes to work In this thrilling true life story readers follow the path of friendship that grows into a romance that spans continents and survives devastating hardship Craig Keener a respected white scholar was cautious after a broken relationship Médine a well educated African woman met Craig through a campus ministry and the two became friends Long after they parted for their respective worlds Craig realized his love for her and began the arduous and often supernatural journey to be reunited Médine faced terror and disease as a refugee in the war torn Congo Craig did not know most days if she was alive or dead Their tender story of love beating the odds inspires readers to believe that God's own great love for each of us will always overcome

A Simple Guide to Experience Miracles J. P. Moreland, 2021-11-16 Does God Still Do Miracles Today A Simple Guide to Experience Miracles will give you confidence in and awareness of the supernatural realm as you learn how to flourish spiritually by experiencing more miraculous interventions in your life and ministry Internationally renowned philosopher J P Moreland looks at the nature of miracles and explains why bearing and receiving credible testimony to God's miraculous acts is a crucial feature of a mature Jesus follower He also shows how to distinguish a real miracle from a mere coincidence Miracles bring comfort to believers strengthening faith in God and creating boldness in our lives While miraculous healings have occurred frequently throughout church history Moreland provides data showing how the last fifty years have seen a massive outbreak of miracles and supernatural activity Today he argues the church should humbly expect to see more of these miraculous works of God than we do Moreland looks at topics like The relationship between sickness and suffering along with two different ways to pray for healing How to discern clearly the difference between a genuine miracle and a mere coincidence How to increase your faith that petitionary prayer really works and what to make of unanswered prayer Six ways God speaks to us and advice for hearing God wisely and biblically The role angels play in our lives how they appear to us and how to combat demonic influence The biblical basis for most Near Death Experiences and what we can learn from them A Simple Guide to Experience Miracles increases your expectation and hope that God can and often does miraculously intervene to bring help and comfort Moreland shows that it makes rational sense to step out and

engage in employing Kingdom power and to strengthen courage to witness and act on behalf of the gospel of Jesus Filled with inspiring credible motivating accounts of miracles he covers five different kinds of supernatural activities and provides practical wisdom about how to begin practices such as healing prayer and learning to deal with the demonic

New Testament Miracle Stories in Ghanaian Mother-Tongues Abraham Boateng, 2024-08-05 This book examines the translations of selected miracle stories from the Hebrew Bible Septuagint LXX and the Greek New Testament into selected Ghanaian mother tongues considering possible shifts of meaning that occur in translating 1Kings 18 25 38 Mark 9 14 29 and Luke 7 11 17 are used as case studies The author draws out semiotic hermeneutical nuances of these texts as they are understood in the Ghanaian context and addresses questions in the field of Biblical studies concerning the relevance of intercultural hermeneutics for current trends in Ghanaian Christianity Particularly important is the high premium placed on miracles in present day Ghanaian spirituality making a careful analysis of these stories particularly relevant for the Ghanaian audience The study also explores several factors that influence the translation process and have a bearing on the reception and use of the text It follows the growing calls for a shift in African Biblical hermeneutics from the theological heritage of Europe and America to the emerging theological trajectories of Africa This post colonial shift re examines the translated text moving from what the text might have meant to what the text might mean in Africa

The Case for Miracles Lee Strobel, 2018-03-27 New York Times bestselling author Lee Strobel trains his investigative sights on the hot button question is it really credible to believe God intervenes supernaturally in people s lives today This provocative book starts with an unlikely interview in which America s foremost skeptic builds a seemingly persuasive case against the miraculous But then Strobel travels the country to quiz scholars to see whether they can offer solid answers to atheist objections Along the way he encounters astounding accounts of healings and other phenomena that simply cannot be explained away by naturalistic causes The book features the results of exclusive new scientific polling that shows miracle accounts are much more common than people think What s more Strobel delves into the most controversial question of all what about miracles that don t happen If God can intervene in the world why doesn t he do it more often to relieve suffering Many American Christians are embarrassed by the supernatural not wanting to look odd or extreme to their neighbors Yet The Case for Miracles shows not only that the miraculous is possible but that God still does intervene in our world in awe inspiring ways Here s a unique book that examines all sides of this issue and comes away with a passionate defense for God s divine action in lives today Also available The Case for Miracles Spanish edition kids edition and student edition

Miracles and the Kingdom of God Myrick C. Shinall Jr., 2018-03-28 In the last decade or so scholarship on the miracles of Jesus has shifted from reconstructions of the historical Jesus to the questions of why and to what end early Jesus followers told stories about miracles Myrick Shinall contends that Mark and Q contain two distinct ways of remembering Jesus s miracles in relation to his proclamation of the kingdom of God He compares three cases of Mark Q overlaps which feature miracles the Beelzebul controversy the

commissioning of the disciples and the testing or temptation narratives and finds that in Mark the miracles and the kingdom of God both point to Jesus identity as a divine figure whereas in Q Jesus and the miracles point instead to the coming kingdom of God Shinall further argues that these different views represent different strategies for creating group identities for Jesus followers strategies that came into conflict as the movement s identity coalesced At length he shows that the mix of high and low Christology in the Synoptic tradition requires reframing of the current debate over how early a high Christology developed in the nascent Jesus movement

This is likewise one of the factors by obtaining the soft documents of this **Craig Keener Miracles** by online. You might not require more grow old to spend to go to the ebook foundation as with ease as search for them. In some cases, you likewise pull off not discover the statement Craig Keener Miracles that you are looking for. It will unconditionally squander the time.

However below, with you visit this web page, it will be for that reason no question easy to get as skillfully as download guide Craig Keener Miracles

It will not say yes many times as we tell before. You can reach it even if play-act something else at house and even in your workplace. therefore easy! So, are you question? Just exercise just what we allow below as without difficulty as evaluation **Craig Keener Miracles** what you past to read!
