SALMAN RUSHDIE Dr. Abhibunnisha Begum,2019-03-26 Indian writing in English is the term which denotes the original creative writings by Indians It is the literature originally written in English by writers including the expatriate Indian writers like Salman Rushdie India s contribution to world literature especially of the twentieth century has been mostly in the field of fiction in English The novels reflected realistic picture of the period to which the novelist belongs The Fiction of Ellen Gilchrist Brad Hooper,2005-03-30 Winner of the National Book Award for her short story collection Victory Over Japan Ellen Gilchrist has entertained audiences with her vivid fictional portraits of strong women eccentric lives and the difficulties of love and life Known both for her short fiction and her novels Gilchrist has been awarded several honors throughout her career and her work continues to receive both critical and popular acclaim This book examines her fiction book by book and offers an appreciation of her craft through a careful analysis of the stories themselves their critical reception and their lasting effect on the reader Hooper offers the first complete evaluation of Gilchrist s entire fiction oeuvre Author of such works as In the Land of Dreamy Dreams The Annunciation Go Hunting with My Daddy and several other novels and collections of short stories Ellen Gilchrist has transcended the bounds of Southern writing appealing to audiences in all corners of the nation Here Hooper celebrates her fiction focusing on the strong feisty female characters that populate her works exerting their will and independence regardless of traditional restraints on their activities In addition he pays special attention to her strengths and weaknesses as both a short fiction writer and a novelist arguing that while her novels may

entertain her lasting contribution to American letters can more easily be found in her short fiction Bernard Shaw's Book Reviews Brian Tyson, 2008-01-31 These hitherto uncollected book reviews of Shaw his first journalistic efforts reveal much not only about the writer but also the culture of the time in which he lived Between 1885 and 1888 Bernard Shaw published 111 book reviews in the Pall Mall Gazette In spite of their importance as the first regular journalism Shaw wrote and the fact that the books fiction nonfiction plays and poetry he read during these years must have formed the nucleus of his permanent library the reviews have never before been analyzed in connection with Shaw s work Brian Tyson has assembled the book reviews complete with the books titles authors and a brief biography of each author including any comments Shaw made about the review and has placed them in historical context elucidating any interesting difficult or obscure references Tyson s critical introduction places the reviews in the context of Shaw s work and Victorian society The reviews are often characterized by the wit and brilliance that we associate with the later Shaw shedding light on his development as a writer at his most formative stage Regardless of the merits of the material Shaw was reviewing it is amusing and enlightening to follow him down to the wandering tributaries of Late Victorian fiction and poetry which reveal as much about Shaw as they do about the preoccupations and prejudices of the average reader of the day
