ANGELINA GRIMKÉ WELD,
VARINA HOWELL DAVIS & JULIA BENT GRANT

CAROL BERKIN

AUTHOR OF REVOLUTIONARY MOTHERS

Civil War Wives Vintage Civil War Library

Spencer C. Tucker

Civil War Wives Vintage Civil War Library:

Civil War Wives Carol Berkin, 2009 Traces the vivid lives of the wives of Theodore Weld Jefferson Davis and Ulysses S Grant to demonstrate how their personal beliefs were overshadowed by their high profile husbands before wartime brought them to the foreground Civil War Wives Carol Berkin, 2010-11-02 In these moving stories if Angelina Grimk Weld wife of abolitionist Theodore Weld Varina Howell Davis wife of Confederate president Jefferson Davis and Julia Dent grant wife of Ulysses S Grant Carol Berkin reveals how women understood the cataclysmic events of their day Their stories taken together help reconstruct the era of the Civil War with a greater depth and complexity by adding women s experiences and voices to their male counterparts **American Civil War** Spencer C. Tucker, 2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict

Sherman's March Burke Davis, 1988-05-12 Sherman s March is the vivid narrative of General William T Sherman s devastating sweep through Georgia and the Carolinas in the closing days of the Civil War Weaving together hundreds of eyewitness stories Burke Davis graphically brings to life the dramatic experiences of the 65 000 Federal troops who plundered their way through the South and those of the anguished and often defiant Confederate women and men who sought to protect themselves and their family treasures usually in vain Dominating these events is the general himself Uncle Billy to his troops the devil incarnate to the Southerners he encountered What gives this narrative its unusual richness is the author s collation of hundreds of eyewitness accounts The actions are described in the words often picturesque and often eloquent of those who were there either as participants Union soldiers Confederate soldiers in the fighting and destruction or as victims of Sherman s frank vow to make Georgia howl Mr Davis intercuts these scenes with closeups of the chief actors in this nightmarish drama and he also manages to give us a coherent historical account of the whole episode A powerful

illustration of the proposition put forth in Sherman's most famous remark *The New Yorker* *Making the World a Better Place* Jacqueline Jones Royster, 2023-06-27 In *Making the World a Better Place* Royster argues that African American women must be taken seriously as historical actors who were more consistently and more variously engaged in community and nation building than they have been given credit for Their considerable rhetorical expertise becomes evident when looking carefully at their work in terms of identity agency authority and expressiveness Their writings constitute a substantial artifactual record of their levels of engagement their excellence in sociopolitical work and the legacies of leadership and action The writing of African American women during the nineteenth century reflects their own perceptions of the ways and means of their lives They deserve to be recognized as consequential contributors to the narratives of the nation rather than marginalized as a group To that end Jacqueline Jones Royster offers a deeper understanding often through their own words of these women their practices and their achievements **Guts & Glory: The American Civil War** Ben

Thompson, 2024-09-24 An action packed Civil War title a rousing introduction to this defining conflict that makes the history appealing and relatable Publishers Weekly An International Literacy Association Teachers Choice A National Parenting Publications Silver Winner History comes alive for kids like no textbook can in this epic account of the American Civil War that's perfect for history buffs and reluctant readers From courageous cavalry rides deep into enemy territory to harrowing covert missions undertaken by spies and soldiers the events of the American Civil War were filled with daring figures and amazing feats This exhilarating overview covers the biggest battles as well as captivating lesser known moments to entertain kids with unbelievable and totally true tales of one of America's most fascinating conflicts History buff Civil War reenactor and popular blogger Ben Thompson uses his extensive knowledge and vivid storytelling style to bring the Civil War to life in this first book in a thrilling new series featuring incredible people events and civilizations Get ready to learn just how awesome history can be Thompson's passion for his subject is infectious An easy breezy series opener that should help create a few new history buffs Kirkus Reviews An entertaining overview What brings these events to life particularly for reluctant readers is Thompson's spirited conversational narration Should keep students engaged Booklist *Remembering the Civil War* Caroline E. Janney, 2013 *Remembering the Civil War Reunion and the Limits of Reconciliation* The Civil War Patricia D. Netzley, 2009-06-25 Lasting from 1861 to 1865 the Civil War pitted brother against brother and resulted in the deaths of well over 600 000 soldiers This encyclopedia provides information about a variety of topics related to the war and its aftermath including political issues generals battles and campaigns armies weapons and ammunition naval vessels medical treatments and aspects of daily life in the military and on the home front Daily Lives of Civilians in Wartime Early America David S. Heidler, Jeanne T. Heidler, 2007-01-30 While soldiers were off fighting on the fields of war civilians on the home front fought their own daily struggles sometimes removed from the violence but often enough from deep within the maelstrom of conflict Chapters provide readers with an excellent detailed description of how women children slaves and

Native Americans coped with privation and looming threat and how they often used or tried to use periods of turmoil to their own advantage While it is the soldiers who are often remembered for their strength honor and courage it is the civilians who keep life going during wartime This volume presents the lives of these brave citizens during the early colonial era the American Revolution the War of 1812 the Mexican War and the Civil War This volume begins with Armstrong Starkey s detailed description of wartime life during the American Colonial era beginning with the Jamestown VA settlement of 1607 Among his discussions of civilian lives during the Pequot War King Philip s War and the Seven Years War Starkey also examines Native American attitudes regarding war Puritan lives and Salem witchcraft and its connection to war Wayne E Lee continues with his chapter on the American Revolution investigating how difficult it was for civilians to choose sides including a telling look at soldier recruitment strategies He also surveys how inflation and shortages adversely affected civilians in addition to disease women s roles slaves and Native Americans as civilians Richard V Barbuto discusses the War of 1812 taking a close look at life on the ever expanding frontier rural homes and families and jobs and education in city life Gregory S Hospodor observes American life during the Mexican War examining how that conflict amplified domestic tensions caused by sharply divided but closely held beliefs about national expansion and slavery Continuing James Marten looks at southern life in the South during the Civil War examining the constant burden of supporting Confederate armies or coping with invading northern ones Paul A Cimbala concludes this volume with a look at northerner s lives during the Civil War offering an outstanding essay on a home front mobilized for a titanic struggle and how the war no matter how remote became omnipresent in daily life

Final Resting Places Brian Matthew Jordan,Jonathan W. White,2023-09 Final Resting Places brings together some of the most important and innovative scholars of the Civil War era to reflect on what death and memorialization meant to the Civil War generation and how those meanings still influence Americans today In each essay a noted historian explores a different type of gravesite including large marble temples unmarked graves beneath the waves makeshift markers on battlefields mass graves on hillsides neat rows of military headstones university graveyards tombs without bodies and small family plots Each burial place tells a unique story of how someone lived and died how they were mourned and remembered Together they help us reckon with the most tragic period of American history CONTRIBUTORS Terry Alford Melodie Andrews Edward L Ayers DeAnne Blanton Michael Burlingame Katherine Reynolds Chaddock John M Coski William C Davis Douglas R Egerton Stephen D Engle Barbara Gannon Michael P Gray Hilary Green Allen C Guelzo Anna Gibson Holloway Vitor Izecksohn Caroline E Janney Michelle A Krowl Glenn W LaFantasie Jennifer M Murray Barton A Myers Timothy J Orr Christopher Phillips Mark S Schantz Dana B Shoaf Walter Stahr Michael Vorenberg and Ronald C White
