Civil Military Relations In Israel Essays In Honor Of Stuart A Cohen:

Civil-military Relations in Israel Elisheva Rosman-Stollman,2014 **Civil-military Relations in Israel** Elisheva Rosman-Stollman,Aharon Kampinsky,2014 This book a collection of essays in honor of Stuart Cohen examines a variety of issues in civil military relations CMR in Israel and abroad Beyond honoring Cohen s work this collection makes a substantial contribution to the field for a number of reasons First it brings together prominent scholars from different disciplines in the field from both Israel and abroad sketching its boundaries The chapters in the collection deal with a variety of issues theoretical and empirical including topics that are usually neglected in English works such as the control the military in Israel has on building construction permits in the civilian sector and the relations between the security establishment and the judicial system Other chapters offer new theoretical perspectives such as the context within which Israeli CMR should be examined and a more general look at the focus of CMR Second it gives non Hebrew speaking scholars and laypersons alike a better idea of what the main issues in the field of civil military relations in Israel are today This book will allow university professors and laypersons to access quality scholarship while still offering a broad spectrum of topics Civil-Military Relations in Israel Aharon Kampinsky,Elisheva Rosman-Stollman,2014-08-14 This book a collection of essays in honor of Stuart Cohen examines a variety of issues in civil military relations CMR in Israel and abroad Beyond honoring Cohen s work this collection makes a substantial contribution to the field for a number of reasons First it brings together prominent scholars from different disciplines in the field from both Israel and abroad sketching its boundaries The chapters in the collection deal with a variety of issues theoretical and empirical including topics that are usually neglected in English works such as the control the military in Israel has on building construction permits in the civilian sector and the relations between the security establishment and the judicial system Other chapters offer new theoretical perspectives such as the context within which Israeli CMR should be examined and a more general look at the focus of CMR Second it gives non Hebrew speaking scholars and laypersons alike a better idea of what the main issues in the field of civil military relations in Israel are today This book will allow university professors and laypersons to access quality scholarship while still offering a broad spectrum of topics **Routledge Handbook on Israeli Security** Stuart A. Cohen,Aharon Klieman,2018-10-17 The Routledge Handbook on Israeli Security provides an authoritative survey of both the historical roots of Israel s national security concerns and their principal contemporary expressions Following an introduction setting out its central themes the Handbook comprises 27 independent chapters all written by experts in their fields several of whom possess first hand diplomatic and or military experience at senior levels An especially noteworthy feature of this volume is the space allotted to analyses of the impact of security challenges not just on Israel s diplomatic and military postures nuclear as well as conventional but also on its cultural life and societal behavior Specifically it aims to fulfill three principal needs The first is to illustrate the dynamic nature of Israel s security concerns and the ways in which they have evolved in response to changes in

the country's diplomatic and geo strategic environment changes that have been further fueled by technological economic and demographic transformations Second the book aims to examine how the evolving character of Israel's security challenges has generated multiple and sometimes conflicting interpretations of the very concept of security resulting in a series of dialogues both within Israeli society and between Israelis and their friends and allies abroad Finally it also discusses how areas of private and public life elsewhere considered inherently civilian and unrelated to security such as artistic and cultural institutions nevertheless do mirror the broader legal economic and cultural consequences of this Israeli preoccupation with national security This comprehensive and up to date collection of studies provides an authoritative and interdisciplinary guide to both the dynamism of Israel's security dilemmas and to their multiple impacts on Israeli society In addition to its insights and appeal for all people and countries forced to address the security issue in today's world this Handbook is a valuable resource for upper level undergraduates and researchers with an interest in the Middle East and Israeli politics international relations and security studies

Routledge Handbook on Contemporary Israel Guy Ben-Porat, Yariv Feniger, Dani Filc, Paula Kabalo, Julia Mirsky, 2022-07-29 This Handbook provides a comprehensive overview of contemporary Israel accounting for changes developments and contemporary debates The different chapters offer both a historical background and an updated analysis of politics economy society and culture Across five sections a multidisciplinary group of experts including sociologists political scientists historians and social scientists engage in a wide variety of topics through different perspectives and insights The book opens with a historical section outlining the formation of Israel and Jewish nationalism The second section examines contemporary institutions in Israel their developments and the contemporary challenges they face in light of social economic political and cultural changes The third section explores geopolitics and Israel's foreign relations exploring conflicts alliances and foreign policy with neighbors and powers The fourth section engages with Israel's internal divisions and schisms highlighting questions of identity and inequality while also outlining processes of integration and marginalization between groups The final section explores matters of culture through the social and demographic shifts in contemporary music poetry and cuisine along with the struggles for inclusion and the impact of globalization on Israeli culture The Routledge Handbook on Contemporary Israel is designed for academics along with undergraduate and postgraduate students taking courses on Israel Israeli politics and culture and society in modern Israel

State Expansion and Conflict Oren Barak, 2017-09-28 A detailed comparison of Lebanon and Israel Palestine two expanded states which have experienced conflict and stability domestically and in their mutual relations

Battering States Madelaine Adelman, 2021-04-30 Battering States explores the most personal part of people's lives as they intersect with a uniquely complex state system The book examines how statecraft shapes domestic violence how a state defines itself and determines what counts as a family how a state establishes sovereignty and defends its borders and how a state organizes its legal system and forges its economy The ethnography includes stories from people places and perspectives not

commonly incorporated in domestic violence studies and in doing so reveals the transformation of intimate partner violence from a predictable form of marital trouble to a publicly recognized social problem. The politics of domestic violence create novel entry points to understanding how, although women may be vulnerable to gender based violence, they do not necessarily share the same kind of belonging to the state. This means that markers of identity and power such as gender, nationality, ethnicity, religion, and religiosity, and socio-economic and geographic location matter when it comes to safety and pathways to justice. The study centers on Israel where a number of factors bring connections between the cultural politics of the state and domestic violence into stark relief: the presence of a contentious multinational and multiethnic population; competing and overlapping sets of religious and civil laws; a growing gap between the wealthy and the poor; and the dominant presence of a security state in people's everyday lives. The exact combination of these factors is unique to Israel but they are typical of states with a diverse population in a time of globalization. In this way, the example of Israel offers insights wherever the political and personal impinge on one another.

Agents of Change Adam S. Ferziger, 2025-07-29. The rise of moderate Orthodox Judaism in Israel and the key role of Americans in its emergence. The conservative ultra-Orthodox and redemptive Kook camps hold sway over religious matters in Israel. Yet from the mid 1960s to the early 1980s, a small cadre of American immigrants arrived in Israel and established or led a range of educational institutions that trained thousands of advanced students and laid the ideological foundations for an Israeli moderate religious stream. In *Agents of Change*, Adam S. Ferziger highlights the parts played by these Americans in promoting the rise of a transnational community of moderate Jewish Orthodoxy. Analyzing the novel outlooks that have found expression in central areas of debates from women's engagements in religious and public life and approaches to the gay and lesbian community to interactions with non-Orthodox denominations and attitudes toward academic Jewish studies, Ferziger illuminates both shifting religious dynamics in Israel as a result of this rise in moderate Orthodoxy as well as the changing relationship between Israeli and American Judaism, challenging current understandings which see the Jewish communities of the two nations as drifting apart. Though a minority in Israel, this vocal Orthodox community with a more moderate take on key issues is significant in potentially paving the way for social change. Increasingly, their influence is being felt. Shedding light on the impact of American migration in forming a burgeoning moderate religious direction in Israeli life that has challenged the hegemony of the long dominant direction within Religious Zionism, *Agents of Change* offers a fresh perspective on the multifaceted collaboration of ideas and practices that exists between Israel and America.

Ethics as a Weapon of War James Eastwood, 2017-09-21. What role does ethics play in modern day warfare? Is it possible for ethics and militarism to exist hand in hand? James Eastwood examines the Israeli military and its claim to be the most moral army in the world. This claim has been strongly contested by human rights bodies and international institutions in their analysis of recent military engagements in the West Bank, Gaza, and Lebanon. Yet at the same time, many in Israel believe this claim, including the general public, military personnel, and politicians. Compiled from

extensive research including interviews with soldiers Eastwood unpacks the ethical pedagogy of the Israeli military as well as soldier led activism which voices a moral critique and argues that the belief in moral warfare doesn't exist separately from the growing violence of Israel's occupation This book is ideal for those interested in military ethics and Israeli politics and provides crucial in depth analysis for students and researchers alike **Israel's Strategic Agenda** Efraim Inbar, 2013-09-13

Divided into two clear parts the first part of this book examines political and economic factors in the global strategic environment including the approach of US and EU foreign policies towards Israel global trends in the field of defence industries and the energy sector and their implications for the Middle East and Israel The second part focuses on Israel's strategic agenda as reflected in its military force design and doctrine the dilemmas the country has faced in the course of fighting its wars of attrition the relations between military and civil sectors in Israel the struggle against Israel on the part of non governmental organizations Israel's main security challenges and national grand strategy This book was previously published as a special issue of Israel Affairs

FAQs About Civil Military Relations In Israel Essays In Honor Of Stuart A Cohen Books

What is a Civil Military Relations In Israel Essays In Honor Of Stuart A Cohen PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Civil Military Relations In Israel Essays In Honor Of Stuart A Cohen PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Civil Military Relations In Israel Essays In Honor Of Stuart A Cohen PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Civil Military Relations In Israel Essays In Honor Of Stuart A Cohen PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Civil Military Relations In Israel Essays In Honor Of Stuart A Cohen PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers

PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
